Proceedings of the Madras Government, Revenue Department, 10th March 1862.

No. 123. Read the following Proceedings of the Madras Government in the Military Department, dated 28th February 1862, No. 772.

Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Revenue Board Office, Government House, 6th February 1862, No. 1,161 :—

SIR,

1. I have the honor to submit for the consideration and orders of Government a letter from the Collector of Madras, transferred to me by the Board for disposal, applying for an addition of Establishment to his Treasury Department. The Establishment generally allowed for this Department in all the Districts according to the revised scale amounts to Rupees 240 per month, and the same Establishment was originally sanctioned for the Madras District also, but the Government having expressed their opinion that the most of the Táluq remittances may be sent direct to the General Treasury, and that the Establishment for the Madras District need not be on the same scale as those of other Districts, the Board proposed a reduced* Establishment which was sanctioned by Government in their Order, dated 21st November 1860, No. 2,195.

Board's Proceedings. 27th January 1862.

2. The Collector now reports that the duties of the Treasury Department have of late been considerably increased by the transfer of the payments of the troops at different Militray stations and of Military Pensioners, and requests that the full compliment of servants allowed to the Treasury in every District may be given him. I consider that the addition now applied for is necessary in consequence of the additional work imposed on the Treasury Department; and I accordingly beg to recommend that the additional Establishment noted in the margin may be sanctioned to bring it to the same scale as is allowed for other Districts. On the receipt of the sanction, the charge will be included in the General list of Establishment which is about to be submitted to Government shortly.

3. No separate provision has been made for this charge in the Budget for 1862-63, though the Collector included a sum in his Budget. It can, however, be met out of the unforeseen contingencies provided for in the Budget. In the current year the charge will perhaps be incurred for two or three months, and I presume it can be defrayed from savings in the contingencies under Land Revenue charges provided for in the Budget for 1861-62.

ORDER THEREON, 25th February 1862, No. 410.

As the additional Establishment required is rendered necessary by the transfer to the Collector of the duty of paying Military Pensions, application should be made by the Collector to the Controller of Military Finance under paragraph 2 of G. O., dated 6th instant, No. 452, Military Department.

(True Extract.)

Deputy Secretary to Government.

1. Communicated to the Controller of Military Finance, with reference to Proceedings No. 452 of the 6th February 1862.

2. The proposed Establishment appears to Government to be larger than can be really necessary, but His Excellency in Council will leave the matter in the hands of the Controller who has already been informed "that the additional charge in each District is not to exceed the hitherto authorized local expenditure, under the former system of payment."

Proceedings of the Madras Government, Revenue Department, 10th March 1862.

3. Under paragraph 8 of the Order No. 452 of 6th February, individuals entertained to assist in the payment of Pensioners will not be allowed to count such service for pension.

Secretary to Government.
