Proceedings of the Madras Government, Revenue Department, 11th March 1862.

No. 142. Read the following letter from F. S. CHILD, Esq., Sub-Collector in charge, to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated Cuddalore, 21st February 1862, No. 10 :—

SIR,

1. When the Budget for 1861-62 was prepared, the salary of Mr. P. P. Hutchins the Head Assistant of the District was Rupees 558-5-4, the estimate for the year was framed with reference to this amount.

2. His pay was subsequently raised to Rupees 733-5-4, but by inadvertence no provision was made in the Supplemental Budget for the difference.

3. Mr. Hutchins having thus drawn the increased allowance for nine months, the Civil Auditor reports that the original amount Rupees 6,700, is nearly exhausted, and that only Rupees 100 remain to meet the charges for the next three months.

4. Under such circumstances, while expressing my regret for the mistake that has occurred, I have the honor to request that you will be so good as to obtain sanction for the deficiency or Rupees 2,100, so as to enable me to meet the demand of Mr. Hutchins or account of salary for February, March and April next.

No. 143. ORDER THEREON, 11th March 1862, No. 523.

1. The Board of Revenue will be requested to ascertain and report what the entire provision made in the Budget for 1861-62, for the Covenanted Staff of the Revenue Department of the District is, and what portion of it is likely to be left unspent at the close of the year. They will also state if the difficulty brought to notice in this letter cannot be met by a transfer from some other minor head in the Budget under "B. I. Revenue Department," "Charges against Income," in which a saving is likely to occur.

2. The Government view with much displeasure the omission from the Supplemental Budget of the additional provision that was necessary for the payment of Mr. Hutchins' salary.

3. This letter should have been submitted through the Board of Revenue.
