Proceedings of the Madras Government, Revenue Department, 16th January 1862.

No. 107. Read the following Proceedings of the Board of Revenue, dated 8th January 1862, No. 83 :—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Nellore, 23rd December 1861, No. 281.

SIR,

1. I have the honor to request the Board's attention to their Proceedings, dated 24th October, No. 5,846, wherein they recommended to Government that the Accountant General should be instructed to authorize the payment of the travelling allowance bill of the 1st Dresser on the Sub-Collector's Establishment in this District as an advance.

2. The Civil Auditor has since likewise disallowed the travelling allowance for September and October of the 1st Dresser on this Establishment. And as it cannot be expected that these men can travel without considerable inconvenience and expense to themselves, and the withholding of their allowance for so many months, will probably involve them in difficulties, I do myself the honor to request that the requisite orders may be obtained at an early date.

3. As the Board are aware the Jamabandy is just commencing, and the Dressers will now be on the move for several months.

Ordered to be submitted to Government in continuation of the Board's Proceedings, dated 18th December 1861, No. 7,102. The Board request that orders may be given, as already recommended in their Proceedings, dated 24th October 1861, for the disbursement of the travelling allowance of the 1st Dresser in advance, as it appears that the necessary provision has been made in the revised Budget of the Principal Inspector General Medical Department for 1861-62.
