Proceedings of the Madras Government, Revenue Department, 12th March 1861.

Read the following:—

No. 224. Minute by the Honorable W. MOREHEAD.

1. With reference to the present letter to the Secretary of State on the subject of the Cinchona plants being sent from England, I am decidedly of opinion that it is a waste both of time and money continuing to seek supplies of plants and seeds from that quarter.

2. There can be no doubt but that we should at once enter into communication with the Java authorities, who have expressed themselves ready to aid us, and obtain from them a supply of plants to be forwarded to us in charge of a person acquainted with the culture and management of the Cinchona plant in that country.

3. If I mistake not, on Dr. Macpherson's report, the course now suggested was intended to be acted upon by this Government.

No. 225. ORDER THEREON, 12th March 1861, No. 579.

Ordered to be recorded.

(Signed) J. D. BOURDILLON,
Secretary to Government.
