*Proceedings of the Madras Government, Revenue Department,
15th March 1862.*

No. 261. Read the following Proceedings of the Board of Revenue, dated 14th February 1862, No. 1,915:—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Vellum, 28th January 1862, No. 29.

SIR,

I have the honor herewith to submit for the information of the Board, copy of a communication which I have addressed to the District Engineer together with its enclosure, relative to the landed property which has been acquired in this District by the Members of the Department Public Works, without any notice being given thereof to Government, and adverting to the facts therein disclosed, I would take leave to submit for the consideration of the Board, whether as a

matter of principle, it would not be advisable so far to modify the Orders* of Government marginally noted, as to make it imperative on the Native public servants of every Department, Revenue, Public Works or Judicial, whenever they may be desirous to purchase

landed property within the local sphere of their official range, to do so after obtaining the permission of the heads of their respective Departments, and to lay it down as a rule that those who may neglect or omit to do so will render themselves liable to be removed from the Public service.

1. Ordered to be communicated to the Chief Engineer for such notice as he may deem necessary.

2. The Board observe that the Orders of the Home Government (paragraph 8), published in the Notification of the Supreme Government, dated 14th January 1862, at page 204 of the *Fort Saint George Gazette*, dated 31st idem, distinctly prescribe that "Officers of all classes (including candidates for office) must be required to make a declaration of their being in possession of, or of their having acquired landed property in view to its registration." They presume that some subsidiary rules will be laid down by the local Government.
