REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 18th February 1862, No. 1,176:—

SIR,

1. Mr. Master when Acting Director of Revenue Settlement pointed out that although Section 2 of Act XXVIII of 1860, provides for owners and occupants of lands being required to maintain boundary marks, there is no provision made for compelling them to do so except when a Survey is in progress; and he suggested the passing of a short Act to amend Section 5 by substituting the words "whenever necessary" for the words "when a Survey is in progress" now inserted in that section; I am, however, directed by the Board of Revenue to propose the *addition* of the words "or whenever necessary for the purposes of this Act" immediately after the words proposed to be omitted, so that Section 5 would run thus "when a Survey is in progress or "whenever necessary for the purposes of this Act notices shall be served, &c."

2. In Mr. Newill's subsequent letter recorded in the Government Proceedings No. 1,980, dated 14th October 1861, a further proposition is made to omit the words "about to be surveyed" in Section 3 of the same Act as under any modifications that may possibly be made hereafter in the operations in Wainád the Registry of Titles and the Survey may not be so immediately connected as is implied in the Section as it now stands, and the Board direct me to express their approval of this further amendment also.

ORDER THEREON, 17th March 1862, No. 601.

1. His Excellency the Governor in Council approves of the alterations proposed to be made in Act XXVIII of 1860.

2. The Board will submit a Draft Act to be laid before the Madras Legislative Council.
