*Proceedings of the Madras Government, Revenue Department,
17th March 1862.*

No. 304. Read the following Proceedings of the Board of Revenue, dated 11th March 1862,
No. 1,626.

Read the following letters from the Collector of Madura, dated 24th and 27th February 1862,
Nos. 34 and 36½:—

(In Cons. 27th February and 3rd March 1862, Nos. 1,137, and 1,214.)

1. Ordered that the above papers be submitted to Government with the Board's recommendation that the Collector be instructed to inform the Zamíndárni of Rámnad that her act now reported cannot be recognized, and that the Zamíndári cannot be registered as requested by her.

2. It will be in the recollection of Government that the late Zamíndár left no male issue, but desired that his two daughters should be recognized as his heirs, that both these daughters died without issue, and that his widow, the present incumbent, has sought in every way to obtain recognition of her so-called adoption of her sister's son Mootturamalinga Taven.

3. When her act was disallowed by the Government as unauthorized by her late husband and inconsistent with the provisions of the Hindu Law, a suit was brought by the so-called adopted son in O. S. No. 1 of 1860, on the Madura Court file, in which, on the strength of the decree of the Sudder Court in the Vissanapetta case, the Civil Judge decreed that the Government had no power of interference with the Ráni's disposition of the Zamíndári. From this decision an appeal was filed in the Court of Sudder Ádalát and as Government are aware the decree of the Court of Sudder Ádalát in the Vissanapetta case, on which the Civil Judge relied, has been set aside by the recent decrees of the Privy Council.

4. The act of the Zamíndárni now reported by the Collector is apparently intended to meet the difficulty created in the way of her purpose by these late decrees; but it appears to the Board, that her inability to make any such disposition of the Estates, as she now proposes, is absolute; that she is neither competent to adopt an heir without the consent of Government, nor to dispose of that in which she possesses but a life interest to the prejudice of the reversionary interests of Government.

5. The Board recommend that the papers be communicated to the Government Pleader.

6. The Collector will be called on to ascertain and report who the parties are who have subscribed the instrument sent up by the Zamíndárni, and how, if at all, they are related to the late Zamíndár.

7. He will also cause it to be intimated to the Zamíndárni that be the value of the document what it may, its execution on unstamped paper was clearly illegal and penal.
