*Proceedings of the Madras Government, Revenue Department,
19th March 1862.*

No. 328. Read the following Proceedings of the Board of Revenue, dated 11th January 1862,
No. 279:—

Read the following letter from W. BALMAIN, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Fort Saint George, 9th January 1862.

SIR,

1. As it is probable that the arrangements for the transfer to the Bank of the cash business of the General Treasury, will soon be carried out, I have the honor to suggest that steps should be taken for relieving me of the duties of Superintendent of Stamps. My salary as Sub-Treasurer will cease from the date on which the General Treasury is finally closed, and it will not be possible for me to continue to carry on the work of the Stamp Office beyond that date; and as there is a very large stock of Adhesive and other Stamps to be transferred, it would be advisable to relieve me sometime previously. It is possible that the Bank may be in a position to take up the business from the 1st of March, and at any rate by 1st of April; and I would therefore suggest that the arrangements had better be made from the 1st of March.

2. The Bank have applied for the use of the Treasury buildings including the rooms now used by the Stamp Office, and it would be as well to ascertain whether they intend to take them, as in that case, it will be necessary to fix on some other location for the Office.

Ordered to be submitted to Government with the Board's recommendation that early arrangements be made for relieving Mr. Balmain from the duties of Superintendent of Stamps.
