*Proceedings of the Madras Government, Revenue Department,
26th March 1862.*

No. 423. Read the following Proceedings of the Board of Revenue, dated 12th March 1862,
No. 1,646:—

Read the following letter from the Collector of Salem, dated 3rd December 1861, No. 247.
(In Cons. 9th December 1861, No. 7,835.)

1. Ordered that the above letter be submitted for the information of Government, with reference to their Proceedings, dated 1st October 1861, No. 1,896.
2. The Board consider that the experiment of employing extra servants at the Salem and Sunkerrydroog Bungalows gave satisfactory results in the first three months, in which the receipts were only Rupees 2-9-9 less than the expenditure.
3. An Hotel having been lately opened at the Salem Railway station, the Collector proposes to withdraw the Establishment and furniture from the Salem Bungalow, and the Board approve the proposal.
4. They have requested the Collector to ascertain whether it can be arranged that they should be made temporarily available to the public at the Sunkerrydroog station where waiting rooms and tents belonging to the Railway Company are already provided.
5. It remains to be seen whether this temporary transfer can be best made from Salem or from the Sunkerrydroog Bungalow.
6. This last Bungalow is at some little distance from the station, and it is not certain that its Establishment and furniture could be removed to the station without inconvenience to the public.
7. The year for which the experiment of entertaining these Establishments was sanctioned by Government will not expire till August next.

No. 424. ORDER THEREON, 26th March 1862, No. 663.

1. As more than three months have passed since the Collector's report was written, the Government would wish to know whether the Hotel at Salem is likely to meet the wants of the public, so as to admit of the Bungalow being given up or rented.
2. The practicability of the other arrangements proposed by the Board can be reported at the same time.

Deputy Secretary to Government.

Collector of Salem.

To

Secretary to the

Board of Revenue

Sir,

With reference to the Board's Proceedings,
dated the 5th October 1861, N^o 5400, Communicating
Proceedings of the Madras Government dated
the 1st October 1861, N^o 1896, in which the
Government sanctioned as an experiment
for one year the employment of a book
and a waty at the Salem and the Senkoridrug
Bungalows, and requesting me to report
after 3 months the result of the experiment,
I have the honor to enclose a Statement
shewing the amount of fees collected in the
two bungalows during the 3 months, and the
expenses incurred during the same period
on account of the servants. The receipts
amount to Rupees 63-10-0 and the disbursements
to

to Rupees 86-3-9, showing a small increase over the receipts of Rupees 2-9-9.

2. The number of travellers who halted during the 3 months was 144 in the Salem Bungalows, and 30 in the Sentkeridrug Bungalow.

3. The Maty and Cook were employed in the Salem Bungalows from the 6th, and at the Sentkeridrug Bungalows from the 8th of August, 1861. The Sepays in the two Bungalows were discontinued from these dates.

4. With reference to Para 3 of the Board's Proceedings, dated the 30th August 1861, No. 4706, annexed to the Proceedings under reply, I beg to state that W. Smith, the Proprietor of an Hotel on the Shervaraya Hills, opened a branch Hotel at Salem close by the Railway Station from the 1st ultimo. I would now propose that the servants and furniture should be withdrawn from the Salem Bungalow, and that for a time the Bungalows should be placed under the care of a Sepoy, with a sweeper only attached, in the same way

way as unfurnished Bungalows in other parts of the District. I would not advise that the Bungalows should be sold till it is placed beyond reasonable doubt that the Hotel will be kept up. At present the Hotel scarcely gets so much support as was expected, and it is as yet uncertain what effect the opening of the Rail as far as Sentkeridrug may have on its interests.
