*Proceedings of the Madras Government, Revenue Department,
26th March 1862.*

No. 425. Read the following Proceedings of the Board of Revenue, dated 11th March 1862,
No. 1,619:—

Read again letter from the Collector of Tanjore, dated 11th October 1861, No. 218, recommending that authority be granted for pulling down the Travellers' Bungalow at Sattanur.

(In Cons. 15th October 1861, No. 6,561.)

Read also the following letter from the same Officer, dated 26th November 1861, No. 251:—

1. Adverting to the Proceedings of the Board under date the 21st ultimo, No. 5,780, I have the honor to state that the Travellers' Bungalow at Sattanur being very rarely (if ever) made use of by travellers, no account showing the number of parties who halted there has been kept; and I am therefore unable to furnish the Board with the Statement called for in their Proceedings under reply.

2. I however beg to submit an Estimate (obtained from the District Engineer) of the value* of the building, and the probable cost† of repairing the same.

1. In the first letter above recorded, the Collector of Tanjore reported that the travellers' Bungalow at Sattanur on the road leading from Combaconum to Tranquebar, which was built when it was in contemplation to make the latter station a sanitarium for European Troops, was in a very dilapidated and dangerous condition, and recommended that it should be pulled down and the materials sold, as it was built on private ground, was seldom if ever used by travellers, and was not required for any other public purpose.

2. The second letter is a reply to the Board's call for further information, and under the circumstances stated in it, the Board resolve to recommend to Government that the Acting Collector be authorized to sell the materials of the Bungalow as it stands, by public auction, the purchaser being bound to remove them within a limited time to be fixed by the Acting Collector.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st October 1861.

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chépaik, dated Vellum, 11th October 1861, No. 128:—

I have the honor to report for the information of the Board that the Travellers' Bungalow erected at Sattanur on the Road No. 13, leading from Combaconum to Tranquebar, is now in a very dilapidated and dangerous condition. The building is a very small one, and was erected at a time when it was intended to make Tranquebar a sanatorium for European troops; this idea has, however, long since been abandoned; and the building is very rarely, if ever, made use of by Travellers. Besides, the ground on which it is built is private property, and as the building is not required for any other public purpose, I would take leave to recommend that it may be pulled down, and the materials disposed of to the best advantage. I request, therefore, to be favored with the orders of the Board in the matter.

The Collector will please to forward a Statement of the number of Travellers who halted at the Bungalow in each of the last five years, and will obtain from the District Engineer a rough estimate of the value of the building, and the probable cost of repairing it, and forward it to the Board.
