Proceedings of the Madras Government, Revenue Department, 27th March 1862.

No. 442. Read the following Proceedings of the Board of Revenue, dated 15th March 1862, No. 1,740 :—

Read Proceedings of the Madras Government, dated 7th March 1862, No. 499, Revenue Department, referring to the Board for any remarks they may wish to offer, a letter from the Acting Accountant General regarding the mode of adjusting the fees paid to Village Curnums in the Kistna District from Fasli 1271.

(In Cons. 8th March 1862, No. 1,350.)

1. The Board observe that the order to which the Accountant General takes exception was merely intended to facilitate payments, and would in no degree have the effect of keeping the items out of the accounts. The whole amount of Beriz would be credited to Government, and the Fees would be similarly debited. Only in making the actual collections from the Village Officers of the assessment due on their Patta lands, they would be allowed credit for the amount due to them by Government.

2. The Board do not see that this arrangement will any way contravene the Order of the Supreme Government that "All transactions to which Officers of Government in their official "character are parties must in future without any reservation be brought to account, and all "monies be deposited in the Government treasuries."
