*Proceedings of the Madras Government, Revenue Department,
28th March 1862.*

No. 462. Read the following Proceedings of the Madras Government in the Public Works Department, dated 25th March 1862, No. 563 :—

Read the following letter from Colonel W. I. BIRDWOOD, Deputy Chief Engineer, Southern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 24th March 1862, No. 11,888.

SIR,

In reply to paragraph 3 of the Proceedings of Government, No. 537, dated 22nd instant, I have the honor to state that the amount at the credit of the District Engineer, Coimbatore, for the year 1861-62 is Rupees 1,45,369, and that the expenditure up to the end of February 1862 has been Rupees 1,14,029, leaving a balance of Rupees 31,340 available for the remainder of the current official year. I do not think that any portion of the above balance could be diverted with advantage in the manner suggested by the Board of Revenue, as this is the working season in that District, and the District Engineer will doubtless be able to spend the full sum at his disposal on the works already authorized.

Communicated to the Chief Engineer, with reference to the orders in this Department, No. 537, dated 22nd March 1862.
