*Proceedings of the Madras Government, Revenue Department,
6th January 1862.*

No. 11. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Chepauk, 27th May 1861, No. 2,651 :—

SIR,

No. 79. From Tinnevely, 13th, in Cons. 18th February 1861, No. 1,026.
" 411, From Insp. Genl. Med. Dept., 11th, in Cons. 14th March 1861, No. 1,609.
" 156, From Tinnevely, 1st, in Cons. 6th April 1861, No. 2,130.

1. In submitting for the orders of Government the correspondence marginally specified, I am directed by the Board of Revenue to recommend to favorable consideration the application of the Head Assistant Collector of Tinnevely for a Dresser to be attached to his Kacheri.

2. In the recent* re-distribution of Taluqs between the Collector of Tinnevely and his subordinates, the Head Assistant's station has been changed from Tuticorin to Striviliputtur, which is about 60 miles from Palamcottah, the nearest station where medical aid is available for himself or his Establishment in cases of emergency.

3. The cases in South Arcot and Salem, quoted by Mr. Garstin as precedents in which Dressers have been specially appointed to Head Assistants' Establishments, are similar to his own, and the appointments were sanctioned by Government in their Proceedings, in the Revenue Department, Nos. 1,369, and 60, dated respectively, 8th October 1859, and 11th January 1860.

4. The Board are of opinion that a Dresser located at Striviliputtur might, in addition to his special duties, assist in the superintendence of the vaccinators, and being situated about midway between Madura and Tinnevely, his services would be available for Travellers if required.

ORDER THEREON, 6th January 1862, No. 6.

No. 12.

1. Ordered that an application be made to the Government of India for the services of a Dresser, to be attached to the Kacheri of the Head Assistant Collector of the Tinnevely District.

* Official Memorandum, 3rd December 1861.

2. The Government learn from a subsequent communication* from the Board of Revenue that, pending the re-organization of the Subordinate Medical Department, the Principal Inspector General has deputed a Second Dresser to do duty with the Head Assistant Collector's Establishment as a temporary measure.

(Signed) J. D. SIM,
Secretary to Government.

Ordered that the following letter be despatched.

No. 13. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, dated 6th January 1862, No. 7.

SIR,

1. I am directed by His Excellency the Governor in Council to submit for the sanction of the Government of India, an application in the prescribed form for the services of a Dresser, to be attached to the Kacheri of the Head Assistant Collector of the Tinnevely District. This application has been rendered necessary, in consequence of its having been found expedient to place the Head Assistant's Office at Striviliputtur, which is about 60 miles from Palamcottah, the nearest station where medical aid is available for the Head Assistant and his Establishment in cases of emergency. Under these circumstances, the Government consider it highly necessary that the required aid should be provided, and instruct me to request that the sanction of the Government of India may be obtained to the addition, for that purpose, of a Dresser to the Subordinate Medical Establishment. Pending the re-organization of that Department, the Principal Inspector General has temporarily nominated a Second Dresser for this duty, whose services will not be available when the new arrangements come into operation. Hence the necessity of this application.

2. I am also desired to state that the Dresser can, in addition to his special duties, assist in the superintendence of the vaccinators; and Striviliputtur, the place where he is to be located, being situated about midway between Madura and Tinnevely, his services will also be available for Travellers if required.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th February 1861.

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Trichendoor, 13th February 1861, No. 79 :—

I have the honor to forward for the consideration of the Board an original letter from Mr. Garstin, asking for a Dresser. I am not aware of the precedents quoted by Mr. Garstin, in Salem and South Arcot.

ENCLOSURE No. 1.

From J. H. GARSTIN, Esq., Head Assistant Collector, to J. SILVER, Esq., Collector of Tinnevely, dated 11th January 1861, No. 1.

I have the honor to request that you will forward to Government my application for a Dresser to be attached to my Office. My Head-quarter having been lately changed to Strivilliputtur which is upwards of 60 miles from Palamcottah, I should be perfectly helpless if suddenly taken ill. I might quote as precedents the appointment of Dressers to the Head Assistants' Offices in Salem and South Arcot on similar grounds.

Forwarded to the Principal Inspector General of the Medical Department, who is requested to inform the Board whether he can supply the Head Assistant Collector of Tinnevely with a Dresser.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st March 1861.

Read the following letter from W. R. CORNISH, Esq., Secretary Principal Inspector General Medical Department, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 11th March 1861, No. 411:—

I have the honor in reference to Proceedings of the Board of Revenue, No. 1,069 of the 27th ultimo, to inform you by desire of the Principal Inspector General Medical Department, that the sanction of Government is required for appointing a Dresser to the Head Assistant Collector of Tinnevely. Medical subordinates are not usually provided for the Establishments of Head Assistants, the cases pointed out by Mr. Garstin being exceptional. Possibly the Collector while residing at Head-quarters might be able to detach a Dresser to afford medical aid to the Head Assistant.

The Collector is requested to state whether he can detach a Dresser during any and what portion of the year, leaving the Medical Department to detach one at other periods or which would be better to furnish one to the Collector during the time he requires a substitute for the one detached to the Head Assistant.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 16th April 1861.

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to J. D. SIM, Esq., Secretary to the Board of Revenue, Chepauk, dated 1st April 1861, No. 156:—

With reference to the Proceedings of the Board, dated 21st March, No. 1,480, I have the honor to state, that it would be impracticable for me to detach my Cutcherry Dresser at any time to the Head Assistant Collector's station, and the Medical Department in this District could not supply me with another Dresser in his room. During the monsoon months, which is the only period of the year when I am resident for any continued length of time at the head station, the Head Assistant is mostly here, as I allow him to visit Tinnevely during the monsoon.

1. Communicated to the Principal Inspector General Medical Department with the Board's request that he will obtain the sanction of Government for appointing a Dresser to the Head Assistant Collector's Establishment in Tinnevely.
2. This Officer is stationed at Strivilliputtur, a distance of 60 miles from Palamcottah, and a Dresser located there might be made useful in assisting in the superintendence of the vaccination operations, and being situated about midway between Madura and Tinnevely, his services would be available for travellers.
