*Proceedings of the Madras Government, Revenue Department,
29th March 1862.*

No. 506. Read the following Proceedings of the Madras Government in the Military Department, dated 27th March 1862, No. 1,134:—

Communicating certain papers relating to the delay in the payment of Military Pensioners and Family Certificate holders in Salem, in view to instructions being issued to Collector of Salem for the immediate adjustment of all claims and for the prevention of similar delay in future. } (Vide Military Proceedings, 27th March 1862, Nos. 592-594.)

No. 507. ORDER THEREON, 29th March 1862, No. 705.

Ordered to be communicated to the Board of Revenue who will instruct the Collector of Salem to adopt prompt measures for the adjustment of the claims of the Military Pensioners, &c., at Royacottah and elsewhere in the District, and for the prevention of delay, of the nature referred to in future.

MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letters:—

From Captain J. Wright, European Veterans, late in charge of Pensioners, Royacottah, 21st February 1862; to the Military Secretary to Government, Fort Saint George.

I have the honor to inform you, that this day five Family Certificate holders of the 20th Regiment, complained to me that they had not received the Pay on their Certificates for December 1861 and January 1862, and that they were put to great trouble in consequence, as in the present state of uncertainty, the Bazar people will only give Rice, &c., at extravagant rates.

The above all belong to one Family, and on my asking why, as the total of the five Certificates came to Rupees 35 a month, they should be hard up? they replied that the expenses of four marriages were not yet paid off.

As late in charge of Pensioners and Family holders at this Station, I consider it my duty to bring the above to your notice,—also at the same time to mention that as yet no notice has been given by the Civil Authorities of Salem, when the Pensioners are to be mustered, which according to the former Regulations, should have taken place during the month of January last.

A Notification by Tom Tom, as to when they would be mustered and get pay, would have eased their minds.

N. B.—A Subadar and Jemadar went to the Tahsildar of Kistnaghiri on the 1st instant, for muster, but were informed that no orders had been received—At that date the Pension Records remained sealed up in the Tahsildar's Cutcherry.

(Signed) J. W.

Referred to the Superintendent of Pensions for early report.

24th February 1862.

From the Superintendent of Pensions, Fort Saint George, 7th March 1862, No. 4085; to the Secretary to Government, Military Department, Fort Saint George.

In returning the letter from the Officer late in charge of Pensioners at Royacottah, referred to me on 24th ultimo, for early report,

* Dated 21st February 1862.

I have the honor to state that, I addressed the Collector of Salem on the 25th idem, requesting

him to inform me of the cause of the delay in paying the Family Certificate holders and Pensioners at Royacottah.

2. The Collector in his reply (received yesterday) states that, "owing to a delay on the part of Kistnaghiri Tahsildar, to whom the Records of the Royacottah Pension Office were made over, in forwarding the Records to Salem, I have as yet been unable to make the necessary arrangements for paying the Royacottah Pensioners."

"As soon as the Records have been arranged, I believe there will be no unusual delay in paying all claimants, but, at first starting, there is some difficulty in preparing the necessary accounts and orders, especially for the Pensioners who have been paid hitherto at a distance from Salem."

ORDER, No. 1134, 27th March 1862.

The Governor in Council regrets to observe, from the foregoing correspondence, that the Military Pensioners, &c., at Royacottah, have not yet been paid their stipends for December and January last.

2. His Excellency in Council now directs that these papers be communicated to the Revenue Department, with a view to instructions being issued to the Collector of Salem, to adopt measures for the immediate adjustment of all claims and for the prevention of similar delay in future.
