Proceedings of the Madras Government, Revenue Department, . .
2nd April 1862.

No. 30. Read the following Proceedings of the Madras Government in the Judicial Department, dated 29th March 1862, No. 511:—

Sanctioning the retention for the accommodation of travellers at Nellore, certain buildings herein referred, which are not now used as Tannah Stations and are not required by the Police. } (Vide Judicial Proceedings, 29th March 1862, Nos. 231, 232.)

No. 31. ORDER THEREON, 2nd April 1862, No. 729.

Communicated to the Board of Revenue for their information, with reference to G. O. 26th February 1862, No. 324, Judicial Department.

Deputy Secretary to Government.

JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore ; to
T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 11th
March 1862, No. 8.

I have the honor to acknowledge the receipt of the Proceedings of Government in the
Judicial Department, under date the 26th ultimo, No. 324, and to state that orders have been
issued for the proceeds of the sale of the Tannah and the Bombproof building, referred to in
paragraphs 1 and 2 of the Order of Government, being duly credited in the usual manner in the
public accounts as therein directed.

2. And in reply to paragraph 3 of the orders under acknowledgment, I have the honor
to request that the 4 other Tannahs in Nellore, not required by the Police, may be retained for
the use of travellers, as we are at present badly off for accommodation for travellers.

3. The Tannah at Mulapett referred to in paragraph 2 of my letter to the Board of the
9th December last, No. 267, was sold for 15 Rupees. And as the accommodation at present
available for travellers in Nellore is chiefly due to the munificence of private individuals, and as
the sale of the 4 Tannahs in question, it will be observed, would probably not fetch at the out-
side more than 60 or 70 Rupees, I would respectfully urge that their being rendered available
for public purposes, and regarded in the same class as travellers' bungalows and soldiers' sheds
would be a public benefit of considerable importance, cheaply provided as regards money sunk ;
and that would not involve much cost as regards establishment, as I have made provision for
their being looked after by the village servants.

4. Neither would their being utilised at present for the public convenience, in any way
interfere with their being made available for the purposes of Government, should occasion arise
at any future period. And under these circumstances I beg to recommend that the Government
should retain in their possession, for the present use of the public, the 4 other Tannahs alluded
to in my letter of the 9th December last.

ORDER THEREON, 29th March 1862, No. 511.

The Government sanction the four buildings referred to, which are not now used as
Tannah stations and are not required by the Police, being retained for the accommodation of
travellers at Nellore.

2. It is observed that these halting places will be attended to by the village servants,
