*Proceedings of the Madras Government, Revenue Department,
4th April 1862.*

No. 66. Read the following Proceedings of the Madras Government in the Marine Department, dated 19th March 1862, No. 75:—

Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Honorable T. PYCROFT, Chief Secretary to Government, Marine Department, Fort Saint George, dated 13th March 1862, No. 832.

SIR,

1. I have the honor to acknowledge receipt of the Proceedings of Government of the 10th instant, No. 68, and to express regret that my letter of the 1st should not have been more explicit as to the Department to which the claim recommended should be debited. As the Stores were not shipped under my directions, I presumed the debit would be made to the Collector of Sea Customs, who would adjust the charge in accordance with the instructions under which the articles were dispatched.

2. Mr. Shubrick has now furnished me with the orders of which copy is annexed, from which it will be seen that the stores were required for the Travellers' Bungalows in the Kistna District.

Communicated to the Revenue Department, with Proceedings 10th instant, No. 68. Orders will be passed in that Department, sanctioning the general average contribution on the Stores in question.

(True Extract.)

(Signed) T. PYCROFT, *Chief Secretary.*

No. 67. ORDER THEREON, 4th April 1862, No. 747.

Sanction is accordingly granted for Rupees (19-5-8) nineteen, Annas five and Pice eight, being the proportion of general average claimed by the owners of the *Nonpareil* on Government Stores on board for having, when in a critical position off Nizampatam, slipped from an anchor and 40 fathoms of cable. This charge will be debited in the Budget to the provision made for Travellers' Bungalows in the Kistna District.

Deputy Secretary to Government.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to the Honorable T. PYCROFT, Chief Secretary to Government, Marine Department, Fort Saint George, dated 1st March 1862, No. 675.

I have the honor to submit the accompanying Bill from Messrs. Gahan and Eaton, for which the Collector of Sea Customs has requested me to obtain the sanction of Government.

2. The claim is for proportion of general average on some Stores shipped by the Collector of Sea Customs on the "Nonpareil" in April last. The vessel was in a critical position off Nizam-patam, and for the safety of all concerned, she slipped from an anchor and 40 fathoms of cable, the value of which is now sought to be recovered by the usual Maritime process of general average contributions.

3. The statement of average was preferred at Calcutta and appearing unexceptionable, the Government in the Military Department on my recommendation have already sanctioned 3 similar Bills. I have therefore to solicit similar orders on the one now forwarded.

Proceedings of Government,
30th November 1861, No.
4,363.

ORDER THEREON, 10th March 1862, No. 68.

The Government observe that it is necessary to be known, to what Department the Stores shipped by the Collector of Sea Customs on the "Nonpareil" appertained. There is nothing in the papers before the Government to show that the furniture, crockery, &c., of which the packages consisted, were Marine Stores, and that the general average contribution on them should be charged to the Marine Budget.
