*Proceedings of the Madras Government, Revenue Department,

No. 74. ** Read the following Proceedings of the Board of Revenue, dated 10th March 1862, No. 1,604.

Read the following letters:—

From P. GRANT, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Calicut, 28th February 1862, No. 41.

SIR,

No. 378, dated 20th instant.

With reference to the Proceedings of Government noted marginally, received with the Board's communication of the 24th instant, No. 1,291, I have the honor to state that the charge alluded to has not been estimated in my Budget for 1862-63, but should the Government sanction my proposition of employing Mr. Stuart in disposing of Escheats, a Supplemental Budget will be submitted.

From H. NEWILL, Esq., Director of Revenue Settlement, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 28th February 1862, No. 215/21.

SIR,

1. With reference to the Proceedings of the Madras Government, dated 20th instant, No. 378, and those of the Board of Revenue of the 24th idem, No. 1,291, I have the honor to state that on the withdrawal of the party from Wainád, I require Mr. Stuart's services for one of the two Districts taken in hand in succession to Salem and Wainád.

2. Mr. Stuart was transferred to my Department expressly for the operations in Wainád, but the experience he has now gained renders his services valuable for transfer to a new District. Should, however, the Government consider it necessary that the special work alluded to by Mr. Grant should be entrusted to Mr. Stuart, I shall require his place to be filled by an able and active Officer of some experience.

1. Ordered that the above papers be submitted to Government, with reference to their Proceedings, dated 20th February 1862, No. 378, Revenue Department, on the Collector's application for Mr. Stuart's services in the disposal of the Jenm right in certain Government Escheats.

2. The Board are decidedly of opinion that Mr. Stuart's services are more valuable to Government in Malabar with the peculiar system of which province he is well acquainted, than they can be made in Mr. Newill's Department working in another District.

3. The Board attach much importance to the sale of the Jenm right whenever it vests in Government, as its possession properly entails landlord's duties which they are not competent duly to perform, and which it is in the highest degree desirable to transfer to the individual lease-holders who are anxious and able to pay a valuable consideration for the concession.

4. Mr. Grant anticipates that the sale will produce five or six lacs of Rupees.

5. The Board recommend the proposal to the favorable consideration of Government, and that a Supplemental Budget Establishment be if necessary submitted by the Collector for the necessary charge.

(True Copies and Extract.)

(Signed) W. HUDLESTON, Secretary.

No. 75.

ORDER THEREON, 4th April 1862, No. 751.

1. As the Director of Revenue Settlement is anxious to retain Mr. Stuart in his Department, the Board of Revenue are requested to ascertain from Mr. Grant whether the services of Deputy Collector Canaren could not be shortly made available for this duty. It should be stated when the sales of the Betutnad Escheats are likely to be completed.

2. Should it be found necessary to apply to the Government of India for the services of a special Officer on this account, it will be necessary to give an estimate of the probable annual proceeds from the disposal of these proprietary rights and the period the sales are likely to occupy. The Board will therefore obtain such an estimate. The Government, however, are unwilling to apply for an additional establishment, if it can be avoided.

(Signed) C. G. MASTER,

Deputy Secretary to Government.
