*Proceedings of the Madras Government, Revenue Department,
5th April 1862.*

No. 92. Read the following Proceedings of the Board of Revenue, dated 15th March 1862, No. 1,737 :—

Read the following letter from B. CUNLIFFE, Esq., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Poneri, 4th March 1862, No. 64.

SIR,

1. Enclosed I have the honor to forward copy of a letter from the Superintendent of Police communicating his opinion that at present six, and eventually twenty-four Constables and one Deputy Constable at a cost of 167-4-0 monthly, will be required to guard the Homes' Gardens Salt Depôt, and I request that sanction may be obtained for the entertainment of this force.

2. The authorities will remark the difference of this costly Establishment, and of that for which I asked, viz., a Daffadar and sixteen Peons for all the duties at the platform.

From Captain H. D. CLOETE, Superintendent of Police, Chingleput District, to B. CUNLIFFE, Esq., Collector of Madras, dated Saint Thomas' Mount, 1st March 1862, No. 42.

SIR,

1. In reply to your letter, No. 14, dated 22nd ultimo, I have the honor to inform you that I have inspected the Salt platforms, &c., at Homes' Gardens, and am of opinion that a guard of one Deputy Constable and twenty-four Constables will be required; the monthly cost of which will be Rupees 167-4-0; four sentries will be required both day and night, to furnish which six Constables for each sentry are necessary, and one Deputy Constable to supervise the whole.

2. With regard to the 2nd paragraph of your letter, I am of opinion that increasing the Kacheri guard would not in any way decrease the expenditure, and the room which the men of the Kacheri guard now occupy is, as it is, barely enough for the present guard.

3. Had the platforms been at a greater distance, a Head Constable would have been also necessary, but owing to its vicinity to the Kacheri guard, the Head Constable of that guard can supervise the party employed at the platforms.

4. The number of Constables to be employed to guard the platforms depends on the quantity of Salt deposited there; at present six Constables will be sufficient, and as the quantity of Salt increases, the number of Constables will have to be increased also up to twenty-four, which I calculate will be the number required when all four platforms are full.

5. As I have no Constables available to guard the Salt stores, I request that you will obtain sanction for the entertainment of the number required.

(True Copy.)

(Signed) B. CUNLIFFE, Collector.

1. Ordered that the above letter be submitted to Government, with reference to their Proceedings, dated 14th February 1862, No. 319, Revenue Department.

2. Sanction is required for a maximum monthly charge of Rupees 167-4-0 on account of Police guards for Salt Depôt at Homes' Gardens.

3. The provision in the Collector's Budget for 1861-62 on account of this Depôt Establishment, was Rupees 327, of which sum Rupees 259 have been already applied under the order of Government above quoted.

4. The balance, Rupees 77, will not be sufficient to meet the maximum charge for the Police guards, which however it would seem is not likely to be incurred during the short remaining period of the current official year. Should more than the available sum of Rupees 77 be required in the current and next ensuing months, it can in all probability be met from savings in other items or from the provision for contingencies.

*Proceedings of the Madras Government, Revenue Department,
5th April 1862.*

5. For the next official year it is however necessary that distinct provision for the whole charge, viz., Rupees 250 + Rupees 167-4-0 = Rupees 417-4-0 per mensem be made in the Budget Estimate now under consideration, as the provision therein made by the Collector for the cost of the Salt Establishments was struck out under the Orders of Government, dated 13th November 1861, No. 2,162, as being based on Mr. Pelly's proposals for revised Establishments and the old Establishments, the cost of which was substituted in the Board's Office under the said orders, did not include the necessary provision for the Homes' Gardens Depôt.

6. It is requested that the requisite orders may be issued to the Accountant General to insert the item in question.

(True Copies and Extract.)

(Signed) W. HUDLESTON, Secretary.

No. 93.

ORDER THEREON, 5th April 1862, No. 761.

1. The Government observe that the Collector seeks only one Daffadâr and sixteen Peons at an aggregate cost of Rupees 87 monthly for guarding the Depôt and all other duties usually performed by servants of this class.

2. If, however, the new Police are to be employed the monthly charge for guarding alone will ultimately be Rupees 167, and the Collector will still require a few Peons. The expense will thus be more than doubled.

3. The Board will consider the subject in communication with the Collector and state whether it is advisable to incur this large expense.
