*Proceedings of the Madras Government, Revenue Department,
8th April 1862.*

No. 132. Read the following Proceedings of the Madras Government in the Military Department, dated 1st April 1862, No. 1,196 :—

Read the following Proceedings of the Board of Revenue, dated 18th March 1862, No. 1,776.

Read the following letter from A. PURVIS, Esq., Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Ramachendrapur, 24th February 1862, No. 29.

SIR,

1. I have the honor to acknowledge the receipt of the Board's Proceedings of the 13th instant, forwarding copy of the Order of Government of the 5th idem, requiring that further inquiry should, with reference to a letter from the Quarter Master General of the Army, be made regarding the tank situated within the limits of the land lately made over to the Military authorities in order to the enlargement of the Cantonment at Dowlaishweram.

2. The plan was prepared under the instructions of the Officer Commanding the Sappers and Miners. It is true no tank is shown as existing in the portion proposed to be newly taken in, perhaps because there was no water in the place at the time the plan was made, and the tank possibly never would have much, as the earth is, I believe, but ill-suited for making a water tight embankment, but that a bank had been raised by the proprietor is unquestionable, and of its existence I, a few months ago, had ocular demonstration. It lies close to the boundary line between the marks c, d in the plan herewith returned.

1. Ordered to be submitted to Government with reference to their Order quoted by the Collector.

2. The Board do not doubt that the compensation sanctioned in the Proceedings of Government in the Military Department, dated 25th January 1862, No. 329, is justly due to the proprietor of Bomur on account of the tank included in the land taken up for the Dowlaishweram Cantonment.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, *Secretary.*

1. Communicated to His Excellency the Commander-in-Chief (Quarter Master General's Department).

2. The Governor in Council would suggest to His Excellency the Commander-in-Chief, that the boundaries of the Cantonment in question, be altered, so as to omit the tank for which compensation is demanded.

(Signed) R. HAMILTON, *Lieut.-Colonel,
Deputy Secretary to Government.*
