Proceedings of the Madras Government, Revenue Department, 14th April 1862.

No. 223. Read the following letter from Lieutenant-Colonel W. K. WORSTER, Barrack Master, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 27th March 1862, No. 1,113 :—

SIR,

1. With reference to my report on the area of the "detached southern Bungalow" Chepauk, I have the honor to express my great regret that owing to a mistake, the area was stated to be upwards of 2,000 square feet, whereas it is only about 1,300 square feet.

2. It appears that on my requesting to be furnished with the measurements, those of the "attached Bungalow" were sent me instead of the detached Bungalow, which was styled the "tiffin room" and consequently was not measured.

3. I am of opinion, however, that the space is still sufficient for the Office of the Conservator of Forests, but as the small western apartment is unprotected from the afternoon sun, a verandah is desirable when it would answer for the Conservator for the short period he is employed at the Presidency.

No. 224. ORDER THEREON, 14th April 1862, No. 830.

Communicated to the Public Works Department in continuation of the order noted in the margin, in view to the suggestion in paragraph 3 of this letter receiving early attention in that Deparment.
