No. 228. From Major H. R. MORGAN, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 2nd April 1862, No. 893.

SIR,

1. I have the honor to request that a few additions may be made to the Office of the Conservator of Forests.

2. In Proceedings of Government, No. 114, dated 27th January 1862, the space allotted for this Office in the north wing of Government House was 1,714 square feet, the area of the presen Bungalow is but 1,300 feet.

3. A verandah round the building (with the exception of the western face) *is much required*, for the western face a wooden sun shade for the window will be sufficient.

4. If four-corner verandah rooms were built, the Office accommodation would be sufficient.

5. If venetian doors and windows were substituted for the present batten doors and windows it would be a great convenience.

6. There is an offensive stable, and a ruined building close to the present Office, which I request may be demolished, as these places are resorted to by parties to commit nuisances.

No. 229. ORDER THEREON, 14th April 1862, No. 832.

Ordered that these letters be referred to the Barrack Master for report. The Government do not see any necessity for Mess rooms.
