Proceedings of the Madras Government, Revenue Department, 16th April 1862.

No. 259. Read the following Proceedings of the Board of Revenue, dated 20th February 1862, No. 1,223 :—

Read the following letter from H. WOOD, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Cuddalore, 21st November 1861, No. 148.

SIR,

1. In reply to the Board's Endorsement on Petitions Nos. 1,093 and 3,104 of 1861, from the Monigars of the Salt Pans of Kandadu and other villages in South Arcot, I have the honor to state that due measures were taken for making known to Petitioners the change that had taken place in the nature of their emoluments.

2. That they were moreover fully cognizant of it may be gathered from the numerous Petitions they have presented to the Board, and the Collector protesting against the measure.

3. They were called on by notice in 1857 to receive the arrears standing to their credit, and a time fixed for them to appear and receive it. They having declined the terms offered, the amount was credited to Government.

4. Subsequently on their appearing in 1860, and consenting to accept the fixed allowance in lieu of the per centage on sale, they were informed that the money had been carried to the account of Government, and could not be paid them without special sanction.

5. From the above it will be seen that all claim to allowances in arrears has been forfeited by them.

6. It therefore rests with the Board to decide whether under the circumstances, the claim of the Petitioners is at this late date entitled to any special consideration.

---

1. Resolved that the above letter with the Petition to which it refers be submitted for the favorable consideration of Government.

In Cons. 10th November 1851, No. 2,629.

2. Petitioners who are certain Roossoomdars whose per centage on the Salt sales was by an Order of Government under date 31st October 1851, No. 1,082, Revenue Department, commuted to a fixed payment of Rupees 12-3-8 per mensem, have been endeavouring ever since that date to obtain a reversion to the old system, and have hitherto refused to accept the reduced emolument. They were duly informed that unless they accepted the arrears of their allowances they would be credited to Government, and as they then failed to do so, they were so credited; but in consideration of all the circumstances of the case, the Board recommend that the Collector be authorized to disburse the arrears due to Petitioners.
