Proceedings of the Madras Government, Revenue Department, 17th April 1862.

No. 292. Read the following Proceedings of the Board of Revenue, dated 12th March 1862, No. 1,631:—

Read the following letter from E. G. R. FANE, Esq., Collector of Vizagapatam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated 20th February 1862, No. 125.

SIR,

With reference to the Miscellaneous Proceedings of the Board of Revenue, dated 10th December last, No. 6,866, paragraph 17, I have the honor herewith to submit Plans and Estimates* for the enlargement of the Salt Platforms at Carassah and Balachervoo, for the sanction of the Board of Revenue.

* Amounting to Rupees 2,130.

Ordered to be submitted for the sanction of Government, with reference to the Board's Proceedings noticed by the Collector. The details of the Estimate for the extension of the Balachervoo Platform show that a still larger sum will be required than was supposed by the Collector. It is presumed that the Estimate now sent for enlargement of the Carassah Platform, is so calculated as to afford sufficient accommodation for the storing of all Salt made at these Pans and at Nabobpett when re-opened.

(A true Copy and Extract.)

(Signed) R. A. DALYELL, *Sub-Secretary.*

No. 293. ORDER THEREON, 17th April 1862, No. 865.

Ordered that the estimates be referred for examination to the Chief Engineer, through whom they should have been submitted under the orders quoted in the margin.

Order, dated 19th July 1856, No. 1,217.
