Proceedings of the Madras Government, Revenue Department, 23rd April 1862.

No. 301. Read the following Proceedings of the Board of Revenue, dated 26th March 1862, No. 1,988 :—

Read the following letter from P. GRANT, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Calicut, 28th February 1862, No. 42.

SIR,

The Revenue and Magisterial Sádirwárid charges of the late Kutnad Táluq having exceeded the authorized amount in some months of Fasli 1269, the excess was disallowed by me, and the Tahsíldár was required to refund it. The amount appertaining to the Revenue Department was made good by the Head Gumáshta of the Táluq who incurred the expense, but that appertaining to the Police Department has not as yet been realized. The then Acting Tahsíldár, who was afterwards appointed Sarishtadár of the old Chowghat Táluq, and has since been thrown out of employ owing to the amalgamation of the Táluqs, represents that he considers it a great hardship hat he should be called upon to liquidate the amount, as the excess adverted to arose from the fact of the price of oil and other articles having ranged high, but that if the amount must be refunded, it ought to be paid by the Police Munshí who defrayed the expenses, and should have taken care not to exceed the authorized sum per month. The Munshí has also suffered a reduction of one-third of his pay by the late arrangements, and expresses his inability to meet the demand. Under these circumstances, I venture to solicit the sanction of the Board for admitting the excess in question amounting, as per margin, to Rupees 13-1-5. The charge can be met out of the sum estimated for contingencies in my Budget for 1861-62.
