Proceedings of the Madras Government, Revenue Department, 21st January 1862.

No. 175. Read the following letter from W. FISHER, Esq., Collector of North Canara, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Bétkal, 4th January 1862, No. 3:—

SIR,

1. With reference to the orders contained in your telegram of the 28th ultimo, prohibiting the export of Saltpetre, except in British vessels bound to London and Liverpool, I have the honor to request the instructions of Government, as to whether it is intended that no Saltpetre should be allowed to pass coastwise to those Ports in British India from which it is usually shipped for the Home market.

2. As I read the orders received, all export of Saltpetre is virtually stopped, as no English Ships call on this coast for it.

3. Little Saltpetre is ever exported from this District perhaps; but if the orders of Government are carried out to the letter, no supplies of Saltpetre will reach the Bombay market except by land.

4. The prohibitive orders of Government have been forwarded to the Cheokies on the Goa frontier, as well as to the Sea Customs Officers, as Saltpetre, which cannot now leave the Ports of this District, might otherwise find its way to Goa, and thence to sea.

No. 176. ORDER THEREON, 21st January 1862, No. 88.

Ordered to be recorded, with reference to the Telegram from the Government of India, dated 18th instant.

(Signed) J. D. SIM,
Secretary to Government.
