Proceedings of the Madras Government, Revenue Department, 29th April 1862.

No. 393. Read the following letter from the Honorable R. O. CAMPBELL, Chairman Chamber of Commerce, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 16th April 1862:—

SIR,

1. I have the honor on behalf of the Chamber of Commerce respectfully to enquire with reference to the Governor General's Resolution of the 17th October 1861, No. 3,264, whether the Government of Madras have prepared any Rules for the sale of waste lands and the redemption of Land Revenue, and if so, when these will be made public.

2. The subject is one of so much importance to every one connected with the trade of the Presidency, and has so direct a bearing on the interests represented by the Chamber that I trust no apology is necessary for thus bringing it prominently before Government.

3. It would be superfluous for the Chamber to refer to the terms of the Governor General's Resolution or to the numerous applications which have already been made to Collectors in this Presidency for the allotment of waste lands under its provisions, as these must be well known to the Government, but the Chamber would very respectfully urge that no time may be lost in promulgating such Rules as may be necessary for enabling Collectors to deal with such applications, and for carrying out the liberal intentions of the Supreme Government.

No. 394. ORDER THEREON, 29th April 1862, No. 917.

Resolved that the Chamber of Commerce be informed that Draft Rules for the sale of waste lands and the redemption of the Land Revenue in this Presidency have been forwarded to the Government of India, and that pending the decision of that Government on certain points submitted for their consideration, Collectors have been instructed to adopt the necessary preliminary measures in respect to all applications for land under the Governor General's Resolution.

Secretary to Government.
