Proceedings of the Madras Government, Revenue Department, 6th May 1862.

No. 111. Read the following Proceedings of the Board of Revenue, dated 30th April 1862, No. 2,737:—

Read the following letter from G. A. BALLARD Esq., Acting Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Tanjore, 23rd April 1862, No. 139.

SIR,

Vide Board's Proceedings 7th March 1862, No. 1,515.

1. I have the honor to observe that, as the Inám enquiry has made some progress in this District and is, I am informed by the Commissioner, expected to be finished about the end of the year, and as, as each Inám is enfranchised and confirmed by the Commissioner, the parties can obtain authenticated extract of the Register which will be sufficient authority for a Civil Court to entertain suits regarding it, and as I am informed 95 per cent. of the Ináms will very probably be enfranchised; I am of opinion it would save a good deal of trouble and correspondence if it be notified that, under the circumstances above stated, no further applications under Regulation IV of 1831 for the permission of Government to sue in the Courts with regard to Inám property will be received until the Inám inquiry in each Táluq has been completed, but that intending litigants must await the enfranchisement of the Inâm or the completion of the inquiry and then have recourse to the Courts direct, or if the Inám has not been enfranchised, then obtain the necessary permission to sue as their case may require.

2. I await the orders of the Board on this point.

Ordered to be submitted to Government with the Board's recommendation that the Acting Collector be authorized to publish the notice proposed.
