Proceedings of the Madras Government, Revenue Department, 6th May 1862.

No. 113. Read the following Proceedings of the Board of Revenue, dated 16th April 1862, No. 2,523:—

Read the following letter from D. WILLIAMS, Esq., Madras Civil Service, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Madras, 9th April 1862.

SIR,

1. I beg to inform you that, with reference to the Proceedings of the Board under date 1st February 1862, No. 726, I have received no reply from Government in answer to the Board's recommendation in the matter referred to.

2. On that occasion the Board were pleased to recommend that the fixed tent allowance at the rate drawn by the Collector, and also the deputation allowance for the three days in excess from the 24th to 26th of November should be granted me, but I now beg to inform you that I am entitled to deputation allowance for the whole month, viz., from October 24th up to November 23rd in addition, as Mr. J. Fraser delivered over charge of the District to me on the 6th of May and resumed charge again on the 6th of June, consequently the provisions of the Order of Government under date 3rd June 1859, No. 4,867, are clearly applicable to me in the same degree as the other.

3. The whole amount to which I am entitled to is Rupees 538-8-11, and I therefore request you will be good enough to recommend that the Acting Civil Auditor be instructed to pass to me the above amount claimed by me under the circumstances stated.

---

1. The Board observe that Mr. Williams' claim to the higher rate of fixed tentage and three days deputation allowance was disposed of in G. O. dated 9th April 1862, No. 791, communicated to that gentleman with Board's Proceedings, dated 11th April 1862, on reference to the orders of the Government of India quoted by him, Mr. Williams has now discovered that his claim should have been for deputation allowance and the higher rate of tentage for the whole of the second period for which he was in charge of the District, as on a former occasion during the same year he had been in charge of the District for one month.

2. The Board have obtained from the Civil Audit office a copy of the order on which Mr. Williams grounds his claim and they find the Governor General ruled "that it is only fair "that an Officer who has acted in any appointment on two occasions within a brief period (say "twelve months) should be permitted to draw acting allowance for any period during which he "may have held the officiating appointment in excess of one month, but in the same manner as "he would have done had he acted uninterruptedly." Under this ruling the Board consider Mr. Williams entitled to the allowance he has applied for, and they resolve to submit his revised claim for the favorable consideration of Government.
