Proceedings of the Madras Government, Revenue Department,
11th June 1863.

No. 181. Read the following Proceedings of the Board of Revenue, dated 29th May 1863, No. 3,210 :—

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Vonkaram, 4th May 1863, No. 66.

SIR,

1. I have the honor to bring to the notice of the Board, that under the Order of Government dated 11th April 1863, No. 547, the number of Police Constables attached to the Office of the Deputy Collector Ragunada Row has been reduced to two orderlies, for the service of magisterial processes.

2. The Deputy Collector is obliged to travel with a Treasury, for the payment of parties, whose land is taken up for the Irrigation Company, and a guard is necessary for its protection. He has pointed out that the sum allotted for his special establishment, in the Budget, would pay for the cost of the four Constables required as a guard, if granted to him under Section 13 of the Police Code.

3. I beg, therefore, that sanction may be granted for entertaining four Police Constables under Section 13 of Act XXIV of 1859, for the guard of the Treasury attached to the Deputy Collector on special service in this District.

Ordered to be submitted to Government, with the Board's recommendation that, under the circumstances stated by the Collector, and agreeably to the provisions of Section 13, Act XXIV of 1859, the Inspector General of Mofussil Police be instructed to make arrangements for supplying four extra Constables to guard the Treasury of the Deputy Collector on special service in Kurnool, their salaries being paid out of the sum allotted in the Budget for his special establishment which is stated to be sufficient for the purpose.

No. 182. ORDER THEREON, 11th June 1863, No. 1,018.

1. The Deputy Collector Ragunada Row is employed on special duty, connected with the operations of the Irrigation Company, but as this duty does not occupy the whole of his time he is also employed on Government work. The two orderlies referred to in paragraph 1 of Mr. Minchin's letter are required, it is presumed, for the latter work and, if so, their cost is properly a charge against the State. The four additional guards now applied for are required solely for the special duty on which Ragunada Row is engaged, and are therefore not debitable to the Police Budget.

2. The Inspector General is requested to supply the extra guards, if he can—if he cannot, the Collector is authorized to engage them. In either case, their cost must be met by the Collector out of the special Budget allotment for Ragunada Row's Establishment.

3. The Government do not see the applicability of Section XIII of Act XXIV of 1859 to this case.

Secretary to Go[illegible]ment.
