Proceedings of the Madras Government, Revenue Department, 13th June 1863.

No. 223. Read the following Proceedings of the Board of Revenue, dated 12th June 1863:—

Read again letter from the Collector of Coimbatore, dated 9th May 1863, in Board's Proceedings, dated 22nd idem, No. 3,055.

Read also the following letters from the same Officer, dated 19th May and 5th June 1863.

(In Cons. 26th May and 10th June 1863, Nos. 3,183 and 3,553.)

1. Ordered that the above papers be submitted to Government, with the Board's recommendation that the Bungalow at Errode, now in the occupation of the Postal Department, be secured for the Office of the Head Assistant, his present Office (formerly the public Bungalow at Bhowany) being assigned for the Moonsiff's Court and the present Court House being converted into a Police station house which is required.

2. The Board are not aware what arrangement is necessary in cases of transfers of buildings from the Postal Department to any Departments directly under the local Government, nor whether, if any payment or transfer of credit is necessary, the Budget for the current year contains any provision for a Police Station at Bhowany. Such a provision would help to meet the cost of the Errode building, but the advantages of Errode over Bhowany for the Hill's Station in the present circumstances of the two places appear to the Board so very great that they would strongly advocate the arrangement even if it should involve a grant from the Reserve Fund, as the building is not larger than the Head Assistant would require for an Office, and the cost even at Rupees 1,500 will be trifling.

3. Early orders are requested on the subject.
