Proceedings of the Madras Government, Revenue Department, 15th June 1863.

No. 235. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq, Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 4th June 1863 :—

SIR,

1. Referring to Government Order dated 21st May 1863, No. 851, Revenue Department, paragraph 3, I am directed by the Board to point out that the new rules for the sale of waste do not provide for the case of *assessed waste lands sought for building sites*, which under the rules of 1859 were to be sold at public auction, the upset price being twenty years' purchase of the assessment.

2. As the rules of 1859 are declared by Government to be no longer in force, the Board recommend that the spirit of the new rules be made applicable to such assessed waste in the immediate vicinity of the towns, when sought for the special purpose of building thereon, the lot being limited to an area not exceeding 1 Acres, and the upset price being twenty-five years' purchase of the assessment *plus* the cost of demarcation and survey.

3. As the Sudder Court have decided that abandonment of assessment and non-payment of the assessment place such land at the disposal of the Revenue authorities, it will not be necessary to maintain to the full extent of their letter the rules and laws relating to unassessed waste land, and which involve considerable delay.

No. 236. ORDER THEREON, 15th June 1863, No. 1,015.

The proposals made by the Board of Revenue in paragraphs 1 and 2 of this letter are approved.

(Signed) J. D. SIM,
Secretary to Government.

No. 1045.

The proposals made by the Board of Revenue in paras 1 and 2 of this letter are approved.—
