Proceedings of the Madras Government, Revenue Department, 16th June 1863.

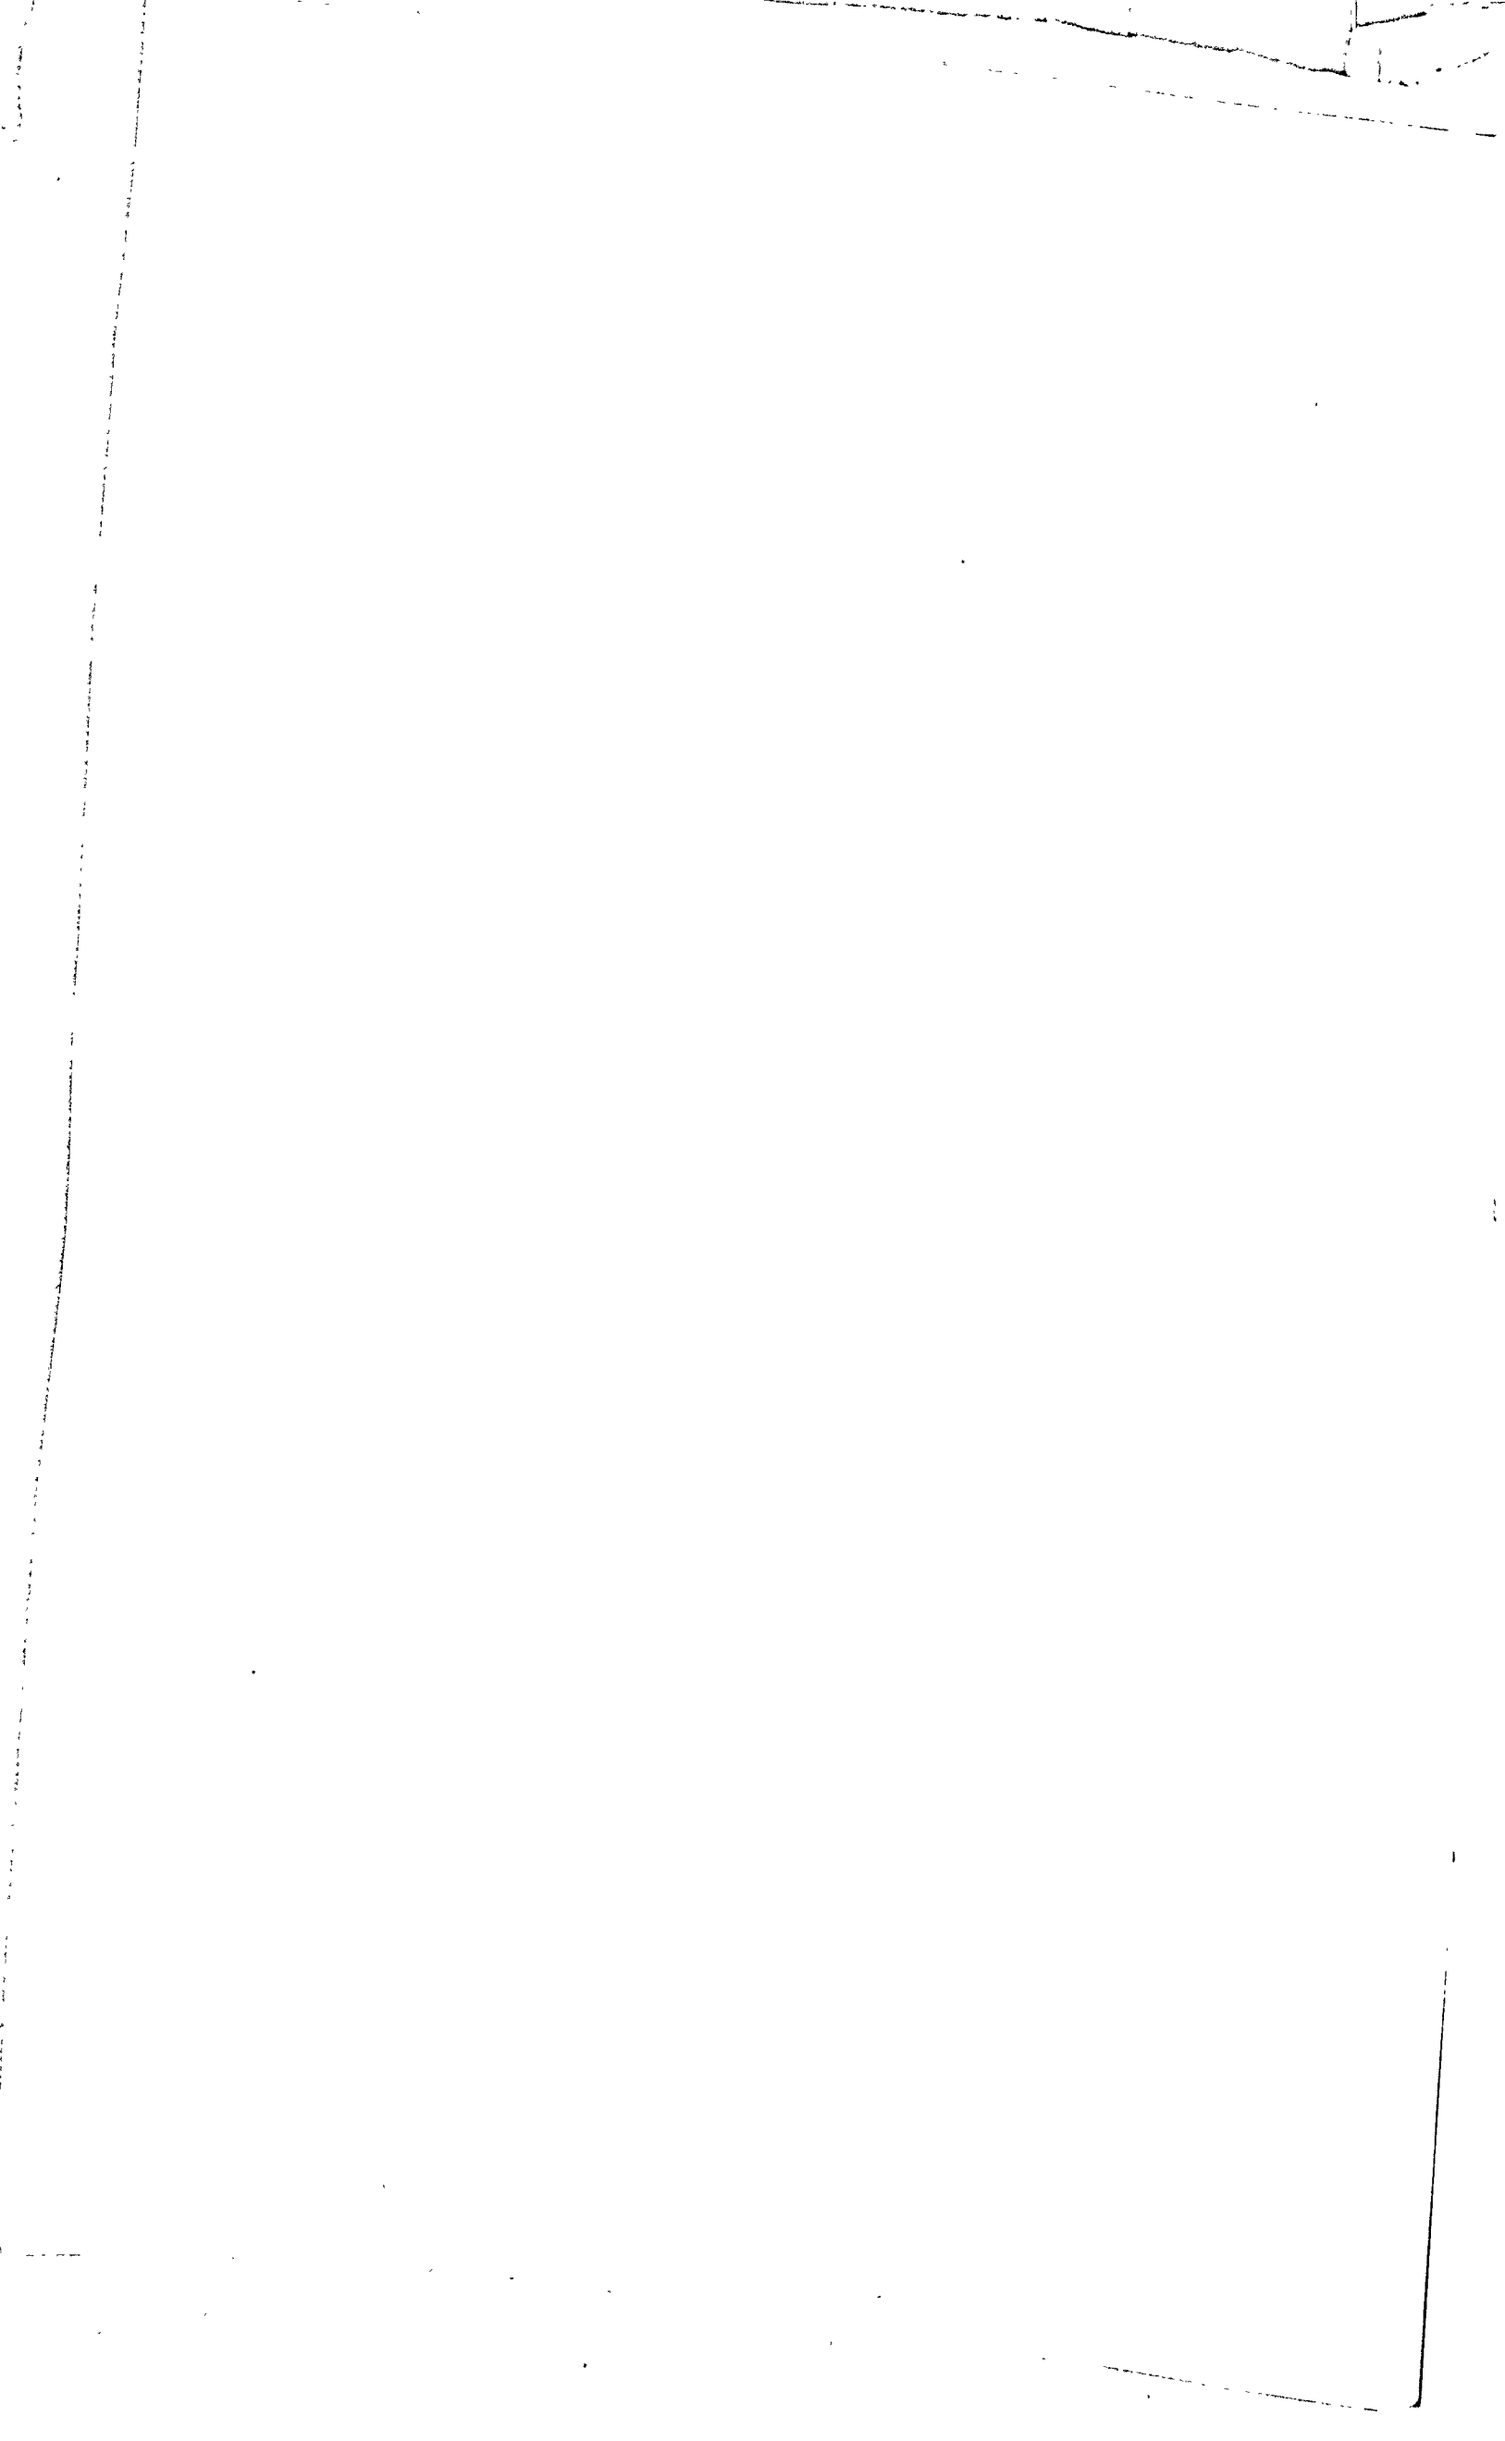

No. 239. Read the following Proceedings of the Madras Government in the Public Works Department, dated 8th June 1863, No. 1,168 :—

Referring for consideration correspondence relative to the principles on which the net income derived from works and their present estimated value, as entered in the Statement of Remunerative Works, are calculated. (Vide Public Works Proceedings, 8th June 1863, Nos. 181, 182.)

No. 240. ORDER THEREON, 16th June 1863, No. 1,047.

Referred to the Board of Revenue for early report. They will be furnished with a copy of the letter from the Secretary to the Government of India in the Public Works Department, dated 13th October 1862, Nos. 3,977.

(Signed) P. P. HUTCHINS,
Acting Deputy Secretary to Government.

entered in the Statement of Remunerative Works, are calculated. This information was called for by the Government of India in their Secretary's letter recorded above. As the correctness or otherwise of the method adopted in ascertaining the increase of assessment due to irrigation, and that occasioned by improved cultivation, or other causes independent of irrigation, is a matter for consideration in the Revenue Department, the papers will be referred to that Department, the submission of a report to the Government of India being deferred until the receipt of the orders of that Department.

construction or improvement, and that drawn from the irrigation of the same tract, of Country before the work was constructed or improved - such remand being obtained. Nil from Sarjah assessments - 2.3 from Water Cess or Sarjah cultivated lands brought under irrigation - 3.6 from Sarjah assessments and water cess on waste dry land brought under wet cultivation.

It will be difficult to go beyond this. No doubt the result of abundant water supply is to lead to improved cultivation and cultivation of more valuable products - It acts too on the other sources of revenue, for the larger a man's profits from his cultivation the more money will be spent in such articles of food. But it is not easy to say to what extent these results
