Proceedings of the Madras Government, Revenue Department, 16th June 1863.

No. 217. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 12th June 1863 :—

SIR,

1. I am directed by the Board of Revenue to request that the sanction of Government may be obtained for the erection of a verandah along the west front of the upper and lower stories of the building now occupied by their Office, instead of the sun shades lately applied for, which will only partly remedy the existing inconveniences.

2. The heat from the afternoon sun striking on this unprotected face of the building is intolerable, and the absence of any verandah renders it very difficult and inconvenient to use tatties in the hot winds.

3. The erection of a verandah will also afford the means of providing other conveniences the want of which is now much felt.

No. 218. ORDER THEREON, 16th June 1863, No. 1,051.

Referred to the Department Public Works with a view to an Estimate being prepared.

(Signed.) J. D. SIM,
Secretary to Government.
