*Proceedings of the Madras Government, Revenue Department,
16th June 1863.*

No. 249. Read the following letters from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 25th May 1863, No. 515 :—

SIR,

1. With reference to G. O. No. 871 of the 19th May 1863, I have the honor to forward a Tabular Statement of the Establishment necessary for Calicut, amounting to Rupees 33 per mensem.

2. The cost can be met from the Budget Estimate from savings under the head of First Class Assistant Conservator.

No. 250. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 25th May 1863, No. 516.

SIR,

1. With reference to paragraph 3 of the Government Order No. 871 of 19th May 1863, I have the honor to inform you that I fully agree with Mr. Ballard on the necessity of some increased establishment at Nelamboor. The extended operations make it really necessary, and the present financial* results fully authorize it.

* Net profit for 1862-63 Rupees 10,422-12-3.

2. One extra Daffadar and seven Peons might be now appointed for the plantations. The Writer's pay might be increased to Rupees 35 per mensem (the present pay of 17-8-0 is, as Mr. Ballard says, quite incommensurate with the duties). His duties are strictly those of a Writer and Interpreter, and his title should be "Writer" and not "Deputy Conservator." A separate Writer for Calicut is hardly necessary.

3. This increase might for the present year be paid from the working charges as extra Establishment, but it would be better to have it at once borne on the roll of fixed Establishment. If therefore Government will sanction the increase I will submit the necessary Tabular Statement.

No. 251. ORDER THEREON, 16th June 1863, No. 1,052.

Before passing orders on these letters the Government request to be furnished with a Tabular Statement in the prescribed form, showing under separate heads the present Establishment at the Nellamboor Plantations and that now proposed for those plantations as well as for the Timber Depot at Calicut. Captain Beddome will also state whether the additional charge on account of both the Establishments can be met from savings in the current year's Budget.

(Signed) J. D. SIM,
Secretary to Government.

Memorandum of the proposed establishment of a
Timber Depot at Lac Seul.

1. The charge of the proposed establishment is to take
effect from the date of sanction.
2. & 3. No provision was made in the Budget for 1863/64,
but the charge can be met from the savings in the
Budget for that year.
4. The charge is permanent.
- 5 & 6. Nothing new.
7. The charge is not shown as a lump sum.
