Proceedings of the Madras Government, Revenue Department, 16th June 1863.

No. 262. Read the following Proceedings of the Board of Revenue, dated 8th June 1863 :—

Read again letter from the Acting Collector of the Kistna District, dated 5th March 1863, No. 45.

(In Cons. 11th March 1863, No. 1,467.)

Read also the following letter from E. B. FOORD, Esq., Acting Collector of Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Dindy, 14th May 1863, No. 102.

SIR,

1. With reference to the Proceedings of the Board, dated 17th March last, No. 1,577, I have the honor to forward a plan and estimate amounting to Rupees 2,037 for a Cutcherry for the Head Assistant Collector at Bezoarah.

2. As proposed by Major Anderson, I request the Board will be pleased to make an application to Government for a grant, from the Reserve Fund of 1863-64, of the amount of the estimate in question, as no provision has been made in the Budget for that work.

3. The building at Vinnukonda is well suited for the Office of the Deputy Collector, but it cannot be ascertained in whose possession it was left by Mr. Wood when he proceeded to Europe, and I am not aware who are his agents at Madras.

1. Ordered that the above papers be submitted to Government with the Board's recommendation that the erection of the proposed Office at Bezwada for the Head Assistant Collector at an estimated cost of Rupees 2,037, be sanctioned for execution from the Reserve Fund.

2. At present the Head Assistant draws extra tentage permanently at the rate of Rupees 78-12-0 per mensem. Allowing six months for camp work in the year, the saving by the erection of the Office would be Rupees 472-8-0 per annum or 23 per cent. on the estimated cost of the building.

The Lees, near Guildford.

3. Mr. Henry Wood's address in England is given in the margin, and the Acting Collector will please to ascertain from him whether he is willing to sell the Vinnukonda Bungalow in which the Deputy Collector on general duties holds his Cutcherry, and on what terms.

Rupees 2½ per annum.

4. The building should also be valued by the District Engineer. Meanwhile the Board recommend that the trifling demand for Quit-rent on the site be remitted in consideration of the use made by Government of the private building.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 17th March 1863.

Read the following letter from E. B. FOORD, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 5th March 1863, No. 45 :—

1. With reference to the Board's Standing Circular, No. 8,160, dated 15th December last, communicating the Order of Government reviewing the Board's report, showing the stations at which extra tentage is drawn all the year round by Sub-Collectors, &c., I have the honor to report as follows, on the points which apply to this District.

2. The Sub-Collector of this District holds his Office in the same Government building which accommodated the late Guntoor Collector's Kacheri. He therefore only draws extra tentage when absent from his Head Quarters.

3. As regards the Head Assistant Collector at Bezorah, who draws extra tentage permanently at Rupees 2-10-0 a day, or Rupees 78-12-0 per mensem, I have the honor to report that no building is procurable at Bezorah on rent for the accommodation of his Kacheri. A suitable one might be built at a cost of about 2,000 Rupees (equal to about three years' extra tentage, deducting four months' extra tentage per annum).

4. The Deputy Collector at Vinnukonda holds his Kacheri in a private Bungalow belonging to Mr. H. Wood, late Collector of the late Guntoor District. No rent is charged for it monthly, * Rupees 2-8-0. but the usual annual quit rent fixed on the ground was paid for the last year by the late Deputy Collector himself. Besides this, there is no other building at that station suitable for his office. I therefore beg to suggest that the quit rent in question may be ordered to be paid yearly from the public Treasury.

From Board 19th September 1862.
To Board 7th October 1862.
From do. 20th "

5. With respect to the Salt Deputy Collector, I beg to observe that it was already reported to the Board that there is no house at Nizampatam available for his office.

The Acting Collector will request the District Engineer to prepare plan and Estimate for an office for the Head Assistant at Bezwara, and will ascertain and report whether if well suited for an office, the building at Vinnukonda can be purchased at a fair price as an office for the Deputy Collector.

Secretary.
