PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from G. A. BALLARD, Esq, Collector of Malabar, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, Fort Saint George, dated Tellicherry, 19th May 1863, No. 53:—

SIR,

1. With reference to the Proceedings of Government dated 21th ultimo, I have the honor to submit as therein directed a detailed statement of the work performed by the Clerk adverted to.

2. It will be observed that the letters received and despatched averaged two per day. But it must be remembered that this average is drawn for 1862, at the commencement of which period the amount of correspondence in the Public Works Department of my Office was not as great as it is now; and in the official year now commencing the work will be considerably enhanced, as the Revenue authorities give far more assistance in the execution of works than before. Rupees 15,000 is entered in this year's Local Fund Budget for expenditure through this Department. This naturally entails increased correspondence both in English and in the vernacular and renders the services of a Clerk indispensable.

ORDER THEREON, 11th June 1863, No. 1,505.

The Government regret that under the orders of the Government of India they cannot sanction the appointment of a separate Clerk in connexion with the Income Tax and Local Funds in the Office of the Collector of Malabar. If the permanent Establishment is unequal to the duties devolving on it, the Collector should apply through the proper channel for an increase to the same.

Secretary to Government.
