*Proceedings of the Madras Government, Revenue Department,
17th June 1863.*

No. 276. Read the following Proceedings of the Board of Revenue, dated 11th June 1863 :—
Read the following letter from the Honorable R. S. ELLIS, C. B., Collector of Madras, to
W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated
Saidapet, 30th May 1863, No. 199.

SIR,

1. In continuation of my letter dated 16th May, No. 174, I have the honor to bring to the Board's notice a proposal made by Mr. Law, an Architect, to erect a Cutcherry affording ample accommodation for a Cutcherry for the Salt Deputy Collector at a total cost of Rupees 5,826-4-6. Mr. Law's plan and estimate are enclosed.

2. Although Mr. Cunliffe did not at the time submit this proposal, I have now the honor to lay it before the Board, who may consider that under proper precautions, it might be desirable to accept Mr. Law's proposal, in which case it might be arranged that the Contractor should consent that the plan and estimates for the building should be examined by an Officer of the Department Public Works specially selected for that purpose by the Government, and that in like manner the building when completed should be examined and reported upon before being received and paid for.

Ordered to be submitted for the consideration of Government, with reference to their Proceedings, dated 3rd June 1863, No. 917, sanctioning the erection of an Office by the Department Public Works.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, Secretary.

note - This seems a good
provision of trying contract
work - but I conclude the
expedience of accepting the
contract and the necessary ar-
rangements, if it is accepted, had
better be settled in the D.P.M. J.S.
