*Proceedings of the Madras Government, Revenue Department,
18th June 1863.*

No. 292. Read the following letter from Major F. J. B. PRIESTLEY, Superintendent Revenue Survey, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chempauk, 10th June 1863, No. 417, 18 :—

Sir,

1. Ordnance Artificer, No. 255, I. N. Collins having more than once seriously misconducted himself, I have the honor to request that he may be removed from the Revenue Survey Department (in which he holds the post of Head Surveyor), and remanded to his Corps.
2. I beg to append copy of my Memorandum for reference.

No. 293. ORDER THEREON, 18th June 1863, No. 1,073.

Ordered accordingly that the services of Ordnance Artificer Mr. I. N. Collins be placed at the disposal of the Ordnance Department.

(Signed.) J. D. SIM,
Secretary to Government.

Memorandum

Head Surveyor Collins at 12 o'clock of the 1st
was joined by 12.5 and again afterwards by the Magistrate
for maltreating village servants. His peers were also present
at the same time. For this conduct so prejudicial to the
dignity of a Head Surveyor he was at the recommendation
of the District Survey Officer fined Rs 10 by the Supt.

2. To this punishment Mr. Collins refused to submit
& addressed a disrespectful letter on the subject to the Deputy
Supt (Captain Pratt) under whose name he was writing.

3. The Deputy Commissioner added me to the complaint
a deduction of pay from Rs 50 to 50 on condition that he
expressed his contrition & withdrew the objectionable letter
Captain Pratt at the time recommended his suspension
from the department.

4. It appears that on 1st Nov. 1881 when Mr.
Deputy Supt found it necessary to stop Pratt from the
pay of Head Surveyor Collins for absence without leave
for 8 days.

5. In February last the Head Surveyor reported
the inhabitants of a village in the district of which he was
employed for refusing to clear the boundary lines & quit the
land in view of this report the statement of

Dr. Campbell, after a long & interesting conference, returned
expressing that our views had measures were very
the same ground & that if Dr. Reed has yet had
the inclination it was quite in his power to have overcome
the difficulties that presented themselves.

b. The making up of the complaint to court & delay
in getting him to an escape. He was freed 12.5 to 13
days.

7. In the present and the former meeting we have
no objectionable letter, but that we however do not consider
though not yet made a declaration of our statements
made in it are contradicted by the testimony of other witnesses
and is not despite the many.

20. The Affidavit sworn to by the undersigned
completes the evidence in support of the petition, and it is
much to be regretted that there was no person to sign
the Subpoena, but I am sensible that I could not
obtain it, and was forced to do so. I have been
under the necessity of being present, and I am
satisfied that the Affidavit is a true and correct
statement of the facts.

He has been charged with the duty of
gathering a considerable number of soldiers
and also with the duty of gathering a
large number of soldiers in the
language to his superior officers. He is also
in repeated and quarrelsome & hostile manner to some

and altogether wanting in morality.

10. The Superintendent at Bangalore has no hesitation in pronouncing him unfit to continue in the Department
