Dated 19 6. 10 1863	

Not to be folded or roughly handled.

*Proceedings of the Madras Government, Revenue Department,
19th June 1863.*

No. 300. Read the following Proceedings of the Board of Revenue, dated 30th April 1863.
Read again letter from the Acting Collector of South Canara, dated 26th March 1863,
No. 13, recorded in Board's Proceedings, dated 17th April 1863, No. 2,205.

Read also the following letters

From the Collector of Ganjam, dated 28th March 1863, No. 53.

(In Cons. 5th April 1863, No. 1,999.)

From the Collector of Malabar, dated 10th April 1863, No. 65.

(In Cons. 17th April 1863, No. 2,253.)

1. Ordered that the above letters from the Collectors of Ganjam and Malabar, together with a Tabular Statement of the Survey Establishments required for those Districts and for South Canara, be submitted to Government, with reference to paragraphs 15, 16 and 17 of their Proceedings, dated 25th February 1863, No. 407.

2. The Collector of Ganjam applies for a permanent Establishment at a cost of 163 Rupees per mensem, for surveying unassessed waste to be sold under the Governor General's Rules,* in view to its being made available, on the completion of that work, for detailed field surveys in continuation of the Revenue Survey. The Establishment is that proposed by the Superintendent Revenue Survey himself.

* Dated 17th October 1861, published in "Fort Saint George Gazette," 28th January 1862.

3. The Collector of Malabar applies for a temporary Establishment at a cost of Rupees 907-8-0 per mensem for one year, to be afterwards reduced to a permanent Establishment of 316 Rupees per mensem.† The scale of Establishment is that approved by the Superintendent Revenue Survey.

† Vide paragraphs 10 and 11 of G.O., 25th February 1863, No. 407.

4. The case of South Canara has been already reported to Government in Board's Proceedings, 17th April 1863, No. 2,205. The Tabular Statement now submitted includes a Survey Establishment of 163 Rupees a month as proposed by the Superintendent Revenue Survey, in lieu of one of 267 Rupees a month applied for by the Collector, the former capable of undertaking any description of survey, being considered by Major Priestley to be the preferable of the two.

(A true Extract.)

Signed W. HUDLESTON, *Secretary.*

No. 301. ORDER THEREON, 19th June 1863, No. 1,677.

1. With these Proceedings the Board of Revenue submit a Tabular Statement of Establishments required in Ganjam, Malabar and South Canara for surveying Waste Lands to be sold under the new rules approved of in the Order of Government, dated 25th February 1863,

2 *Proceedings of the Madras Government, Revenue Department,*
19th June 1863.

No. 407. But in the case of South Canara it has since been discovered that the large extent of land referred to in paragraph 2 of the Order alluded to, and with reference to which the scale was approved, was not applied for under the recent rules as understood by the Board and the Government, but to be held on Puttah bearing assessment. The Board, however, in their Proceedings dated 17th April last, supported the Collector's request that the Establishment should nevertheless be allowed as it is under any circumstances urgently required in the District, and the Government in their Order dated 8th May 1863, No. 796, called for further information. The application for the South Canara Establishment will therefore be separately disposed of.

2. The Statement includes the permanent Establishment which will be required eventually in Malabar when the bulk of the work has been got through by the temporary Establishment, though Government in paragraph 15 of their Order of 25th February last, stated that final orders regarding that Establishment will be passed at the time it is required. It will therefore be excluded from the application to be submitted to the Government of India, and sanction will be solicited only for the permanent Establishment at a monthly cost of Rupees 163 for Ganjam, and for the temporary Establishment for one year at the monthly cost of Rupees 907-8-0 for Malabar.

(Signed) J. D. SIM,
Secretary to Government

Ordered that the following letter be despatched.

No. 502. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, Home Department, dated 19th June 1863, No. 1,078.

SIR,

1. With reference to the concluding sentence of paragraph 1 of my letter, dated 9th December 1862, No. 2,570, I have the honor, under the orders of His Excellency the Governor in Council, to submit an application in the prescribed form for Establishments required in the Districts of Ganjam and Malabar for surveying Waste Lands to be sold under the new rules.

2. The Establishment proposed for Ganjam will cost Rupees 163 per mensem. The extent of land applied for under the new rules in Ganjam up to August 1862 was Acres 11,915.

3. The Collector of Malabar propose^d an Establishment of a temporary nature to cost monthly Rupees 970, which after having accomplished the work ready for it might in eight months or a year be reduced to a permanent standard estimate of Rupees 294-2-8 per mensem, but the Superintendent of Revenue Survey reduced the former sum to Rupees 907-8-0, and raised the latter to Rupees 316. The Government approved Major Priestley's scale for the temporary Establishment, deferring for the present final orders on the permanent Establishment which will not be required for several months. The extent of land applied for in Malabar in

Proceedings of the Madras Government, Revenue Department, 3
19th June 1863.

to August 1862 is 25,000 Acres. The applications for land in this District are numerous, and it is of great consequence that they should be rapidly dealt with, hence the greater strength of the Survey Establishment proposed.

4. With this explanation I am to request the sanction of the Government of India for the proposed Establishments at a cost of Rupees 1,070-8-0 per mensem, as noted in the margin,* retrospectively from 25th February last, as their immediate employment was absolutely necessary for the disposal of the numerous applications received for Waste Lands. this expenditure in the Budget for 1863-64 under "Extra and Temporary Establishment," and any deficiency which may occur in one District will be covered by the saving in another. I am to add that the expenditure in question will ultimately be recovered from the purchasers of the land surveyed. A copy of the Proceedings of this Government, dated 25th February 1863, No. 407, in which the necessity or otherwise of the Survey Establishment for each District was considered, accompanies this letter.

Sir,

With reference
to the concluding sentence
of para 4 of my letter
dated 9th December 1862,
No 2590 I have the honor
under the orders of His
Excellency the Governor
in Council to submit an
application in the pre-
scribed form for esta-
blishment required in
the districts of Kanjam
and Malabar for survey-
ing waste lands to be
sold under the new act.
The establishment
proposed for Kanjam will
cost Rs 163 per annum
and the Superintendent
of Revenue surveying
lands that it would suffice
for all future purposes.
