PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 7th March 1863, No. 431.

SIR,

1. With reference to the Proceedings of Government No. 328, of the 13th ultimo, I have the honor to submit the returns called for by the Government of India on the subject of bringing within the operation of the Pension Rules those classes of Uncovenanted Servants (receiving a salary of more than 10 Rupees per mensem) who were excluded from the benefit of the Pension Rules of 1831.

2. You will observe from the explanation offered in each case, in the column of remarks, that these classes of servants (exclusive of Herbarium Keeper) are constantly exposed to risks, danger and privations, which public servants of other Departments do not encounter, and I beg to recommend that the Government will be pleased to admit them to the benefit of the Pension Rules now under contemplation.

Statement showing the numbers and amount of salaries of Uncovenanted Servants drawing more than 10 Rupees each per mensem, in grades not eligible to pension under the Rules of the 4th January 1831.

From W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Madras, 19th May 1863, No. 2,959.

Sir,

In reply to the Government Order dated 13th February 1863, No. 328, forwarding a List of servants drawing more than Rupees 10 per mensem, but hitherto deemed ineligible for Pension under the Rules for 1831, and desiring the Board to specify the classes of such servants whom they would bring within the operation of the Pension Rules, I am directed by the Board to submit the following List relating to the Revenue Department.

LIST.

Included in the Bengal List.

Appraisers. 1. The Officer of this denomination in the Sea Customs House has very responsible duties, and on grounds of general good policy, it appears desirable to hold out to him the prospect of a Pension for good service. From the note in the List it would seem that the claim is not disputed.

Cashiers. Shroffs. 2. The note in the List states that a Cashier is entitled to Pension only when his duties are those of a Treasurer. Adopting this rule, Hoozoor and Talook Shroffs seem equally entitled to Pension benefits.

3. Although it is undesirable to designate them Cash-keepers, for fear of lessening the sense of responsibility on the part of the Tahsildars and Serishtadars, the Talook Shroffs, in all matters of receipts and disbursements, perform duties analogous to those of a Cash-keeper. In the Hoozoor Treasury the Shroffs attend to the receipt and issue of Coin, Postage Labels, and Stamps. The detailed Statements of Coins received and issued, and the rough Treasury Chitteh are prepared by them.

4. Under Government Order dated 27th April 1860, No. 663, Revenue Department, Shroffs are required to give security in common with Cash-keepers.

Surveyors. 5. The work is laborious and responsible; the qualification, for an efficient Officer not easily met with; the demand for such Officers considerable; the cost of their work frequently repaid to Government by private parties. It seems desirable to admit them to the benefit of the Pension Rules as an encouragement to the faithful performance of the duties, when the Officer is in permanent employment.

Official Memorandum from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 26th May 1863, No. 618/57.

As requested in the Acting Deputy Secretary's Official Memorandum of this day's date the Officiating Director of Revenue Settlement has the honor to forward a copy of his letter to the Secretary to Government, dated 16th February 1863, No. 194.

From R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 16th February 1863, No. 194/19.

Sir,

Referring to the Order of Government, dated 13th instant, No. 328, calling for a return of the classes of Uncovenanted Servants which may properly be brought within the operation of the Pension Rules, I have the honor to report that the only classes of servants employed in this Department, not already eligible to receive pensions, are Jemadars, Duffadars, Moochees, Dufterbunds, Peons and Sweepers, in none of whose cases are there grounds sufficient to warrant my recommending any change in the existing rules.

Official Memorandum from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq, Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 26th March 1863, No. 366/25.

In reply to the Official Memorandum from the Deputy Secretary to Government, dated 26th instant, No. 63, the Officiating Director of Revenue Settlement has the honor to state that in his letter of the 16th February 1863, No. 194, he reported that there were no servants on his Establishment not already eligible to pension whom he would recommend to be brought under the Pension Rules.

Order thereon, 19th June 1863, No. 1,080.

1. The Governor in Council considers that the following officers entered in the list* received from the Government of India should be expressly declared eligible for pension, as in fact they are, though they are not mentioned in the Pension Rules.

* Extract Proceedings Government of India, Financial Department, 24th December 1862, No. 1,422 G.
