Proceedings of the Madras Government, Revenue Department, 16th January 1863.

Read the following :—

No. 209. Proceedings of the Board of Revenue, dated 30th December 1862.

Read the following letter from A. P. HODGSON, Esq., Acting Collector of South Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Mangalore, 22nd December 1862.

SIR,

1. I have the honor to inform you that since the 13th of this month, I have been purchasing Bombay Salt, at Mangalore, at 46 Rupees per garce, and that I purpose continuing to do so till the 6th of next month, when I expect to receive the Salt with which a Contractor at Bombay has agreed to supply me.

2. This person has stipulated to deliver 1,500 garce of Bombay Salt within the next four months, and if he should act up to his agreement, which I have every reason to believe he will do, there will be a supply of Salt sufficient to meet all demands up to January 1864.

3. I accepted the Contractor's proposal considering it was the preferable plan to depending wholly on a supply brought down for sale, which, from various causes, might at any time cease, and perhaps at the very time when other arrangements could not be made. I trust therefore that the Board will approve what I have done in the matter.

4. I beg to forward copy of the Agreement signed by the Contractor, and to state that, up to this date, I have purchased 404 garce of Bombay Salt, 164 garce of which have been either sold or stored, and the remainder which is at this port, is being disposed of with every possible despatch.

5. I beg to take this opportunity to request the Board's permission to employ extra Peons of the numerical strength and at the stations shown in the margin, and as their immediate appointment is a pressing necessity I trust that the Board's assent may be communicated to me by Telegraph. I scarcely need inform the Board that provision has been made in the Budget for 1862-63 for the pay of these extra hands, and that the charge has hitherto been incurred annually.

The Board approve of the Acting Collector's proceedings, and authorize the employment of the usual temporary establishment for the period of four months.

stoppage of sales from such short delivery, and such extra charges as the Government may incur for purchasing a quantity equal to that thus short delivered. Should, however, any quantity of salt within 100 Garce be supplied in excess of the January, or February, or March instalment, then the excess so supplied must be accepted. On the other hand, should the delivery in January, February, or March be short of the quantity deliverable as above in either of those months, then the quantity thus delivered short, provided it is not in excess of 100 Garce, must be accepted in the succeeding month, - and no fine will be leviable on account of the salt thus short delivered, within 100 Garce, in either of the first three instalments. I shall bring in each vessel supplied with salt, a canister under the seal of the Commissioner of Customs, Bombay, containing a specimen of salt so supplied. Should the salt brought differ from, and be inferior to the sample, the Collector of South Canara for the time being will be free to reject it; but I shall be permitted to land it at Mangalore at the place appointed by the Collector, on payment of the duty prescribed by law, or to reexport it on my supplying so to do. If I shall not either pay the duty on, or reexport the salt refused as above within 48 hours from the time of the inspection & refusal of such salt, I will forfeit the same salt to the Collector of South Canara on account

of the Government of Madras. In the event of the salt coming on a big vessel that must stop outside of the bar, I shall follow the instructions which the Collector may issue to me in regard to landing the Cargo in Mangalore of registered Vessels of the port. I shall give 15 days previous notice of the number of the Vessels bringing salt on my account, the probable date of their arrival at Mangalore, and the quantity of salt the said Vessels contain. I shall receive the amount payable for the salt on the delivery, according to the terms before mentioned, of each instalment a cargo of salt. I will furnish security to the amount of 15,000 Rupees, within one and a half month from the date of my signing this agreement, and I agree to deposit the sum which will be forfeited to Government should I not furnish the security aforesaid within the prescribed time, otherwise the sum of 750 Rs aforesaid should be returned to me.
