

*Proceedings of the Madras Government, Revenue Department,
24th June 1863.*

No. 391. Read the following letter from J. W. S. WYLLIE, Esq., Under Secretary to the Government of India, Home Department, to J. D. SIM, Esq., Secretary to the Government of Fort Saint George, dated Fort William, the 8th June 1863, No. 3,615 :—

SIR,

I am directed to forward the accompanying copy of the Statistical Committee's first Report together with copies of the forms of Statistics for Finance, Trade and Navigation and Civil Administration therein proposed for adoption, and to request that the President in Council may be favored with the opinion of the Government of Madras on the suggestions of the Statistical Committee, and more particularly on the forms of Trade and Navigation Returns. Your reply, I am to add, should be submitted with all practicable despatch.

*Extract from the Proceedings of the Government of India, in the Financial Department, dated
22nd April 1863, No. 1,637.*

READ the Statistical Committee's first Report, dated 24th March 1863, proposing forms for Statistics of Finance, Trade and Navigation, and Civil Administration.

Read also Extract from Proceedings in the Home Department, dated the 30th March 1863, transferring to this Department a set of Draft Abstract Returns, or forms, for exhibiting the Moral and Material Progress of India, and a Minute thereon by the Honorable Sir C. E. Trevelyan, for consideration in connection with the Report of the Statistical Committee.

RESOLUTION.—As the forms received from the Home Department may induce the Statistical Committee to recast the Tables which they have proposed for the Administration Reports, so as to embrace all the heads of information which are proposed in the one or the other set, the Honorable the President in Council directs that the Extract from the Home Department, and its enclosures, be forwarded to the Statistical Committee, with a remark that pending a further Report from the Committee no orders will be passed on the several forms already submitted by them.

At the same time, His Honor in Council directs that copies of the Statistical Committee's first Report be forwarded to the Home and Foreign Departments, for the opinions of those Departments, and of the Local Governments on the suggestions of the Committee, and more particularly on the forms of Trade and Navigation Returns proposed by them.

No. 392. ORDER THEREON, 24th June 1863, No. 1,120.

Referred to the Board of Revenue with all the enclosures (in original to be returned) for very early report.

(Signed) J. D. SIM,
Secretary to Government.
