Proceedings of the Madras Government, Revenue Department, 17th January 1863.

No. 219. Read the following Proceedings of the Board of Revenue, dated 11th December 1862:—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Chetterpore, 26th November 1862, No. 1,243.

SIR,

1. With reference to the enclosed copy of a letter from the Officiating Civil Paymaster dated the 23rd October last, No. 1,486, I have the honor to forward herewith a Supplemental Budget Estimate for 1862-63 regarding the Staff Corps pay of Captain Grove, the Acting Principal Assistant Collector of this District.

2. No provision having been made in the original Budget in consequence of his nomination to this District subsequent to its despatch, provision has been made for his Military pay in the Budget Estimate of 1863-64.

---

1. Ordered to be submitted to Government.

2. The Board observe that the sum of Rupees 3,492 required for the Staff Corps pay of the Acting Principal Assistant Collector can be met from the provision made for the Collector's salaries, &c., under Land Revenue Charges in the Budget for 1862-63. From the Statements of actual charges received from the Collector, it appears that out of Rupees 74,348 for Collector's salaries, &c., only Rupees 35,479 were actually expended up to October 1862 a period of six months, and more than half of the sum is available. If the Government should think it necessary the requisite amount may be added to the Supplemental Budget which was submitted to them with the Board's Proceedings, dated 6th December 1862, and the Civil Paymaster authorized to pass the charge for the present out of the available sum.

(A true Copy and Extract.)

(Signed.) W. HUDLESTON, *Secretary.*

No. 220. ORDER THEREON, 17th January 1863, No. 112.

1. The Governor in Council understands that Captain Grove's allowances are as follows:—

	RS.	A.	P.
Consolidated pay as Superintendent of District Police.....	700	0	0
Staff Corps pay	374	1	0
Deputation allowance as Acting Principal Assistant of Ganjam...	233	5	4
Fixed tentage as ——— do. ——— do.	87	8	0
	1,394	14	4

But the full pay including fixed tentage of the office of Principal Assistant is Rupees 1,254-2-8, and under the G. O. marginally noted, this is the maximum payable to the incumbent whether he be a Covenanted Civil Servant or a Military Officer.

27th June 1862, No. 1,011, paragraph 2, Judicial Department.

2. The Governor in Council however observes that as Captain Grove is only acting as Principal Assistant, the Revenue Budget seems debitable only with his deputation allowance and fixed tentage aggregating Rupees 320-13-4, which is what would have been paid to a Covenanted Civil Officer holding the same appointment on the same terms. The first item of Rupees 700, above noted, would seem to be chargeable to the Police Budget in which Captain Grove holds his

substantive appointment, and the second item, viz., Staff Corps pay, if receivable in addition to the Police salary, which, it is observed is a *consolidated* allowance, would, as being in excess of the Civil acting allowance, apparently be debitable to the Military Department under the Order contained in the Financial Proceedings of the Government of India, dated 14th October 1862, No. 689G, recorded in the Order of this Government, dated 20th November last, No. 823, Financial Department.

3. The Civil Paymaster is requested to communicate with the Controller of Military Finance and report further on the subject for the final orders of Government. Meanwhile it is clear from the Board's Proceedings that no Supplemental Budget is necessary.

Secretary to Government.
