*Proceedings of the Madras Government, Revenue Department,
29th June 1863.*

No. 425. Read the following letter from Major F. J. B. PRIESTLEY, Superintendent Revenue Survey, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 24th June 1863, No. 506/22 :—

SIR,

1. I have the honor to submit the copy of a letter from my Deputy in Nellore on the subject of Police guards for the pay of his Establishment. It will be observed that the opinion of the Inspector General of Mofussil Police, contained in his letter to your address, dated 22nd January 1863, No. 169, paragraphs 3 and 4, and to which my attention is directed in G. O. of the 2nd February 1863, No. 224, was expressed in ignorance of the requirements of the Survey Department. Mr. Robinson has no objection to provide guards for considerable sums, such as the pay of the Survey Field Establishment.

2. It will be remembered that the mode of distribution now recommended has the sanction of the Board of Revenue and of the Collector of the District. The expense will be met from the unexpended balance.

Copy of a letter from the Deputy Superintendent, No. 5, Revenue Survey, to the Superintendent Revenue Survey, dated 9th February 1863, No. 62/37.

1. With reference to your Memorandum of the 4th instant, No. 155/18, forwarding G. O. of the 2nd instant, No. 224, for my information and remarks thereon, I have the honor to inform you that I have just had an interview with the Inspector General of Mofussil Police; that Mr. Robinson only objects to furnishing Police escorts for petty sums at irregular times, and that he was under the impression that the Survey subordinates could leave their posts to draw their pay at the Talook Treasuries. He has no objection to providing guards for the protection of such considerable sums, as the pay of the Survey Field Establishment either from the head quarter station or from the Talook Treasuries as may be most convenient the salaries of such guards being of course paid by this Department.

2. In my opinion labor, cost and risk are all saved by sending out the money in one sum from the head quarter Office under a proper Police guard, and I strongly recommend the continuation of this practice.

Deputy Superintendent Revenue Survey.
