*Proceedings of the Madras Government, Revenue Department,
1st July 1863.*

No. 3. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Nellumbúr, 12th June 1863, No. 550:—

SIR,

1. In reply to the Government Order No. 924 of the 29th of May 1863, I have the honor to inform you that, if Government desire it, I can collect and methodize all the available information relative to the forests of our Presidency; it would, however, only be an epitome of what is contained in Dr. Cleghorn's work upon the Forests of Southern India and in my annual Report for 1862-63 and its Appendices, I do not therefore think that it is required.

2. In drawing up my annual Report I have endeavoured to make it of use in the Department by entering fully into our working system and rules, &c., and by giving an account of the different products found in each District, and I trust that Government will find that this Report and its Appendices contain much of the information considered necessary.

No. 4. ORDER THEREON, 1st July 1863, No. 1,152.

As Dr. Cleghorn's book is bulky and only extends to 1860, a concise Report will be valuable, and Government request Captain Beddome to prepare one.

(Signed) J. D. SIM,
Secretary to Government.
