Read the following letters on the subject of the injury done to Cotton crops.

From A. WEDDERBURN, Esq., Acting Collector of Bellary, to W. HUDLESTON, Esq.,
Secretary to the Board of Revenue, dated Ramandrug, 12th June 1863, No. 83.

Sir,

1. In reply to your Circular Memorandum No. 315, dated 20th May 1863, I have the honor to inform you that from the reports of the Tahsildars it appears that the Cotton crops in this District have not been much injured by the late rains.

2. The loss caused by the rains may have been about one-sixteenth part of the whole produce.

From V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary
to the Board of Revenue, dated 11th June 1863, No. 332.

Sir,

With reference to the Circular Memorandum No. 315, from the Board, under date the 20th ultimo, I have the honor to report that from the information received from all the Talooks in this District, it appears that the late rains have proved injurious generally to the Cotton crops. The flowers and capsules have to a great extent dropped off the plants, and the yield consequently in some places has been only half of a full return.

Ordered to be communicated to Government and to the Chamber of Commerce.
