Proceedings of the Madras Government, Revenue Department, 17th January 1863.

No. 225. Read the following Proceedings of the Board of Revenue, dated 8th January 1863:—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Nellore, 22nd December 1862, No. 328.

SIR,

With reference to Proceedings of the Madras Government, Revenue Department, under date the 18th instant, No. 2,627, I have the honor to state that it would be a convenience to us to pay the Survey establishments from Talook Treasuries, inasmuch as it would be so much collections remitted to the District Treasury. But I must add that with our large Talooks it will occasionally happen that for the money to reach the party for whom intended, it will have to be sent 20 miles from the Talook Treasury, and for this distance, here, as in England, without any reflection on the Police and the security of property, it would be desirable that those who travel with a large sum of money in their possession should be provided with arms themselves, for, if not so protected, accompanied by a suitable guard.

1. Ordered to be submitted to Government, with reference to their Proceedings quoted by the Collector.

2. The Board fully approve of the proposal to disburse the funds required by the Survey Department through the Talook Treasuries, which plan will materially diminish the risk of transmitting large sums of money, although it may not altogether remove it.

(A true Copy and Extract.)
(Signed.) W. HUDLESTON, *Secretary.*
