*Proceedings of the Madras Government, Revenue Department,
2nd July 1863.*

No. 33. Read the following Proceedings of the Board of Revenue, dated 23rd October 1861, No. 5,826:—

Read letter from the Officiating Agent to the Governor at Kurnool, dated 24th September 1856, No. 100.

(In Cons. 27th December 1858, No. 4,040.)

Read also letter from the Collector of Kurnool, dated 4th November 1859, No. 146.

(In Cons. 23th November 1859, No. 5,925.)

Read also the following letter from the same Officer, dated 16th September 1861, No. 105.

1. I have the honor to bring to your notice that the Inám Commission Deputy Collector has reported to me his inability to acknowledge the Ináms granted to the servants of Mosques and Pagodas in this District, in lieu of money allowances discontinued from payment since the 1st May 1856, owing to the arrangements not having been sanctioned by the Board.

2. The Statement of lands granted in lieu of money payment was forwarded with the late Officiating Commissioner Captain Russell's letter, No. 100, dated 24th September 1856, and I have to request you will be good enough to obtain sanction for those arrangements, so as to allow of the Ináms being settled by the Commission before the Deputy Collectors leave the District.

1. Resolved that the above letters be submitted to Government, with reference to paragraph 4 of the Board's letter, dated 14th October 1861, No. 5,603.

2. In Extract from Minutes of Consultation, dated 15th August 1854, orders were issued for the commutation of certain Pagoda and Mosque allowances, amounting to Rupees 1,571-13-7 to grants of land of equal value.

3. It appears from the above correspondence that the Officiating Agent to the Governor selected the lands and ceased to make the ready money payments in 1856, but the Collector explains that in 1859 the lands were not given up to the Institutions, but that the occupants were directed to pay their assessment to the office bearers of the Pagodas and Mosques, receiving at the same time a remission which was deducted from their Puttah equal to the amount so paid.

4. The Acting Collector is now desirous that these Ináms should be finally registered before the departure from the District of the Deputy Collector attached to the Inám Commission, and the Board would recommend that the Government right in the lands, as per Statement which accompanied the Officiating Agent's letter, should be made over to the several religious Institutions, and in cases where the performance of the service is a hereditary office, registered in the name of the office holder under Clause 1st of paragraph 3 of the Inám Rules, and where elective in the name of the Institution.

No. 34. ORDER THEREON, 2nd July 1863, No. 1,167.

The lands should be registered simply as the endowments of the Institutions to which they appertain. They will be dealt with hereafter in accordance with Act XX of 1863.

(Signed) J. D. SIM,
Secretary to Government.

IN COM. 28TH NOVEMBER 1859, No. 5,925.

From the HONORABLE D. ARBUTHNOTT, Esq., Collector of KURNOOL,
dated Singavarum, 4th November 1859, No. 146.

With reference to Extract from the Proceedings of the Board of Revenue dated 26th February last, No. 719 communicating Extract from the Minutes of Consultation under date the 16th February 1859, No. 211, I have the honor to report that with reference to the correspondence noted in the margin, the late Agent, L. D.

From Board of Revenue, dated 11th Sept. 1854
do. do. do. 4th May 1855
do. do. do. 8th August 1855
Daniel, Esq., forwarded a statement shewing all particulars, with his letter of the 24th September 1856,

No. 100. Copy of the above statement is herewith forwarded.

2. The assessment on the lands entered in the statement is paid by the ryots to the yeomiah-dars of the respective Pagodas, &c. and the amounts are deducted in the puttals, and these remissions are shewn in Statement No. 4 which accompanies the Jumma bundy report. The lands are not given up to the institutions. But the yeomiahdars request that the lands may be given to them altogether, and that they will have them cultivated, as at present they are subjected to loss if the ryots leave these lands waste.

3. It would not be just or right to deprive the ryots of their long possessed lands, and as the late Orders of Government make it imperative for every ryot to pay for his entire farm (so long as he holds it) whether waste or not, the yeomiahdars cannot be in future subjected to loss from lands being left waste.

4. In preference to the present plan, however, I beg to propose that (wherever practicable) waste lands yielding the required amount should be given over to the yeomiahdars.

5. The yeomiahdars of this District are not willing to have their allowances commuted.

—
Exc. 1.

ABSTRACT.—Statement shewing the extent of land to be granted in lieu of ready money allowances discontinued from payment from Treasury to the pagodas and mosques in the District of Kurnool.
