*Proceedings of the Madras Government, Revenue Department,
3rd July 1863.*

No. 66. Read the following Proceedings of the Board of Revenue, dated 29th April 1863:—
Read the following letter from A. WEDDERBURN, Esq., Acting Collector of Bellary, to
W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated
Ramandroog, 23rd April 1863, No. 67.

SIR,

1. Agreeably to the Board's Order No. 1,285 of the 3rd March 1863, requesting to know
“under what circumstances the parties got possession of the land in question, what reason he,
“the Collector, had for believing their application to be *bona fide*, and how far they are acquainted
“with and able to fulfil the conditions prescribed,” I have the honor to state, with reference
to paragraph 8 of my predecessor's letter, dated 29th January 1863, No. 16, that on enquiry, it
appears that the conditions of granting land rent free for the improvement of Cotton, were
published in the District, and that the Tahsildar of Tadapatri in September last submitted a list
of Ryots who had agreed during last July to fulfil the conditions required in the Government
Minute. No order was passed by the late Collector.

2. The land on which remission was solicited is in the Ryots' usual holding.

3. There is no reason for doubting the application made by the Ryots to be a *bona fide*
one; and lastly, as the conditions, viz., selection of seed and improvement of the staple were
explained to them by the Tahsildar, and translated into the vernacular and circulated, it is to
be inferred that they are acquainted with and able to fulfil the conditions required.

4. I would, therefore, as a special case, recommend the concession of the remission
proposed by my predecessor, for, it is clear that the Ryots were under the impression that it
was to be granted to them, and had the matter been reported at the time, it would have been
sanctioned previous to the receipt of the Secretary of State's instructions of 9th July last.

Ordered to be submitted to Government, with reference to their Proceedings dated
27th February 1863, No. 423.

(True Copy and Extract.)

(Signed) W. HUDLESTON, *Secretary.*
