*Proceedings of the Madras Government, Revenue Department,
4th July 1863.*

No. 80. Read the following letter from W. G. McIVOR, Esq., Superintendent Government Chinchona Plantations, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 15th May 1863, No. 5:—

SIR,

1. In reply to your Official Memorandum No. 105 of the 13th instant, I have the honor to inform you that I have sent out instructions for the measurement of the land at present planted with Chinchonas, so soon as this return is received it shall be forwarded to your Office.

2. The estimated number of acres which we propose to plant during the current official year is 250, the greater part of this I hope to plant during the months of June, July and August, therefore during these three months I estimate planting 83 Acres monthly.

3. We found the plants which were planted out late last year did not bear the dry season as well as those which were planted early, and it therefore appears desirable not to plant later than August.

No. 81.

ORDER THEREON, 4th July 1863, No. 1,190.

Ordered to be recorded.
